## Mini Supporting Statement

### Justification for Change

This is a request for nonmaterial/non-substantive change to Form 4A\_SectionsAB and Form 4A\_SectionsCD. The changes are as follow:

- Form 4A\_SectionsAB – added “Zip code for case/patient/sample” to B7 to match the statement on CD.
- Form 4A\_SectionsCD – added the word “reported” to D2 to clarify the statement

These changes are proposed to enhance clarity for the respondents. The proposed changes will not change the burden of this ICR.
