

## National Youth Tobacco Survey (NYTS) Cognitive Testing Youth Recruitment Screener Questionnaire

Thank your interest in this study! Answer the following questions to see if you qualify for an interview. The questions should take 5-10 minutes to answer. Your answers are private.

The Centers for Disease Control and Prevention (CDC) has hired ICF to interview 40 youth. ICF is a company that conducts research. The purpose of the interviews is to help the CDC test questions on health and tobacco product use. If you are selected to participate you will receive a \$50 Amazon gift card for participating in the interview.

Completing this survey involves no known risks. Your participation in the survey and interview are voluntary. There is no penalty for not participating. You can skip questions you don't want to answer. You can end the survey or interview at any time. However, you will not qualify for an interview if you do not complete the survey. Completing this survey does not guarantee that you will be invited to an interview.

If you agree to participate in this survey select "yes, I agree" below.

- 01 Yes, I agree
- 02 No, I do not agree [TERMINATE]

If you have any questions about the survey or this study, email ICF's Research Manager, Rachel Kinder, at [cdcnyts@icfsurvey.com](mailto:cdcnyts@icfsurvey.com). For questions regarding your rights related to this evaluation you can contact ICF's Institutional Review Board (IRB) at [IRB@icf.com](mailto:IRB@icf.com).

CDC estimates the average public reporting burden for this collection of information as 10 minutes per response, including the time for reviewing instructions, searching existing data/information sources, gathering and maintaining the data/information needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Information Collection Review Office, 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; ATTN: PRA (0920-0621).
