

2010 CMS 855 Forms Revisions

#	Form	Change	Current Location	Reason
1	TPA 4.1	Changed the format of collection of Offshore Location organization name and Address. The new format is tabular form to collect each org name, address in a single row for ease of collection of data.	P.11	formatting/rearrange fields for ease of collection of data instead of collecting all org names in a single cell.
2	TPA 4.1	Added the offshore Organization IP address field	P.11	To protect the beneficiary data by controlling/allowing the traffic from these IP address which will be provided on this revised form.
