

You're invited to complete your new AmeriSpeak survey!

You have been invited to participate in the **Disability Perceptions Survey** on behalf of the Social Security Administration (SSA). Your participation in this exciting new study will provide valuable insight on the perceptions and knowledge of working-age adults regarding the Social Security Disability Insurance Program (SSDI). SSA wants to make SSDI easier to access for people who need it and it is important to understand what people know and don't know about how SSDI works. Your participation can help benefit people served by SSA, now and in the future!

Please login into your AmeriSpeak membership account today to complete the survey and receive your **AmeriPoints**! If you have already completed the survey, please accept our sincere thanks.

If you have questions about this study, please contact AmeriSpeak at 800-860-1178.

Thank you for your help with this important survey!

Kai Filion
