Hi<<PANALEST\_NAME>>,

The Social Security Administration (SSA) recently invited you to participate in an important AmeriSpeak survey, the **Disability Perceptions**. Your participation in this exciting new study will provide valuable insight on the perceptions and knowledge of working-age adults regarding the Social Security Disability Insurance Program (SSDI). SSA wants to make SSDI easier to access for people who need it and it is important to understand what people know and don't know about how SSDI works. Your participation can help benefit people served by SSA, now and in the future!

We have not heard from you and hope this enclosed \$2 will convince you to share your valuable opinions with us. By completing the survey by [End Date] you will receive **20,000 AmeriPoints** as a thank you for your time. Your participation is voluntary and your responses will be kept completely confidential.

**Please login into your AmeriSpeak membership account today to complete the survey and receive  
20,000 AmeriPoints!**

The Social Security Administration and NORC at the University of Chicago thank you in advance for your participation in this important study. If you have any questions about this study, please contact AmeriSpeak at [DPS@NORC.org](mailto:DPS@NORC.org) or toll-free at 1-800-###-####.

Sincerely,

Kai Fillion  
Social Security Administration
