

Addendum Supporting Statement for Form SSA-372
Request for Reinstatement--Title XVI
20 CFR 416.999 - 416.999d
OMB No. 0960-0744

Minor Revisions to the Collection Instrument

SSA is making the following revisions:

- **Change #1:** We are replacing the BNC# with "Social Security Number" for both the "Eligible Individual" and "Eligible Spouse"

Justification #1: We are replacing the BCN# with the Social Security Number, because the BCN # presents some challenges to FO technicians. There is no way to propagate the BNC# into the form for technicians filling it out during the interview, instead, they have to take additional steps to generate a BNC# using the BNC# Generator application.

- **Change #2:** SSA is updating the Privacy Act Statement on the form.

Justification #2: SSA's Office of the General Counsel is conducting a systematic review of SSA's Privacy Act Statements on agency forms. As a result, we are revising the Privacy Act Statements on this form.
