

CONTRACT NO:	
TAAMS DOC. NO:	

EASEMENT FOR SALTWATER DISPOSAL WELL

Osage Reservation, Oklahoma

The regulation at 25 C.F.R. § 226.23, provides that:

The Superintendent, with the consent of the Osage [Minerals] Council, may grant commercial and non-commercial easements for wells off the leased premises to be used for purposes associated with oil and gas production. Rental payable to the Osage [Nation] for such easements shall be an amount agreed to by Grantee and the Osage [Minerals] Council subject to the approval of the Superintendent. Grantee shall be responsible for all damages resulting from the use of such wells and settlement therefor shall be made as provided in § 226.21.

Accordingly, for and in consideration of the sum of T	hree Hundred Dollars (\$300) paid to the Osa
Agency - BIA, Dept. C155, P.O. Box 474888, Des M	Moines, IA 50947-4888, for the benefit of the
Osage Nation, and for the further consideration of Th	hree Hundred Dollars (\$300) to be paid on
before each anniversary of the Effective Date thereof,	the Osage Minerals Council does hereby gra-
, hereinafter designated	as the Grantee, including any subseque
successors and assigns, an Easement in order to dispose	e of oil field brines produced from Grantee's o
wells located in the	into Well Nolocated in tl
	Osage County, Oklahoma. This Easement
associated with Oil and Gas Lease No	·
As required by 25 C.F.R. § 226.23, the stated considerate by the Osage Minerals Council and the Grantee, and the said consideration is in all respects reasonable and appropriate to the consideration of the consideration is in all respects reasonable and appropriate to the consideration of the consideration is in all respects reasonable and appropriate to the consideration of the consideration is in all respects reasonable and appropriate to the consideration of the consideration is in all respects reasonable and appropriate to the consideration of the consideration is in all respects reasonable and appropriate to the consideration is in all respects reasonable and appropriate to the consideration is in all respects reasonable and appropriate to the consideration is in all respects reasonable and appropriate to the consideration is in all respects reasonable and appropriate to the consideration is in all respects reasonable and appropriate to the consideration is in all respects reasonable and appropriate to the consideration is in all respects reasonable and appropriate to the consideration is in all respects reasonable and appropriate to the consideration is all respects reasonable and appropriate to the consideration is all respects reasonable and appropriate to the consideration of the consideration and the considerat	e Osage Minerals Council has determined tha

Under this Easement, the Grantee has the right to ingress and egress to and from said disposal well with the right to install and maintain such equipment as is necessary or convenient for proper operation of the well for the duration of this Easement. This Easement will be effective for three years from the Effective Date and will be considered renewed annually thereafter, unless a Party requests, in writing, thirty (30) days before the Effective Date, that said Easement not be renewed. The rights of the surface landowner are as defined in the approved Osage Oil Mining Lease form and 25 C.F.R. Part 226.

If the annual rental payment is not paid prior to the Effective Date, a penalty of \$50 will be assessed. Failure to remit both the annual payment and the penalty fee within thirty (30) days following the anniversary date will result in immediate termination of the Easement. If the Grantee requests the renewal of a terminated Easement, the annual fee of \$300 plus a renewal penalty of \$200 will be required within 90 days of the termination date. Failure to pay the annual fee plus a \$200 renewal penalty within the 90-day period will require negotiation of a new Easement with the Osage Minerals

Council. In the event that a new Easement is negotiated after the 90-day period an additional reinstatement penalty will be assessed at the rate of \$25 per month, beginning with the Effective Date of the original Easement.

At the conclusion of this Easement, whether by termination, expiration, or otherwise, the Grantee will plug said well pursuant to 25 C.F.R. Part 226, and remove all associated equipment within ninety (90) days of such conclusion.

This Easement is subject to the regulations now or hereafter prescribed by the Secretary of the Interior relative to Osage oil or gas leases, as found in 25 C.F.R. Part 226, all of which are made a part of this Easement.

The disposal well shall be conditioned and operated in accordance with the instructions of the Superintendent.

All rights conferred herein are subordinate to any oil and/or gas lease which may be hereinafter granted by the Osage Minerals Council, and approved by the Superintendent, on the property covered by this Easement.

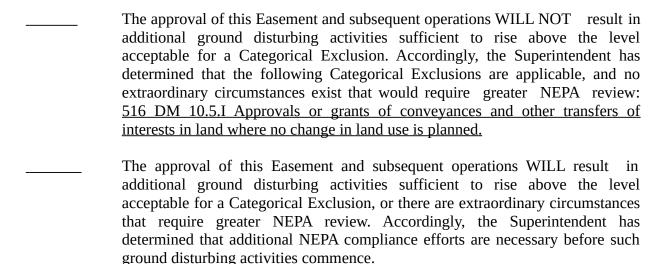

Assignment of this Easement or any interest therein may be made with the written consent of the Osage Minerals Council, and the approval of the Superintendent.

This Easement shall not be used for commercial purposes without the approval of the Osage Minerals Council and the Superintendent.

The Grantee shall furnish a bond in the minimal penal sum of \$5,000 with responsible surety to the satisfaction of the Superintendent, conditioned on compliance with the terms of the Easement and applicable regulations.

This Easement shall be subject to termination if any of the terms or conditions contained therein is violated.

The Superintendent has reviewed the subject property and determined that the following compliance effort under the National Environmental Policy Act ("NEPA") is appropriate. Check as applicable:
