NOTICE

As of June, 2021, MSHA is now using Login.gov to authenticate EGov accounts for Forms & Online filing. This will eliminate the requirement to change your password every 90 days.

If you already have a current EGov account, you will need to create a Login.gov account using the same email address as your MSHA EGov account. If you are new to using MSHA Forms & Online filing, you will need to complete a one-time MSHA EGov registration first, and then Login.gov registration.

For assistance with Login.gov, please see information located here: https://www.login.gov/help.

For assistance with online filing, contact the MSHA Help Desk at 1-877-778-6055 or by email at desk.help@dol.gov
