Items 3-6: Enter the requested information for each of the federal education loans that you want to add to your Direct Consolidation Loan (or to the Note you have submitted). To find the information you will need to complete this section, you can look at the last monthly billing statement you received, your quarterly interest statement or annual statement, your coupon book, or the Internet site of your loan holder or servicer. You may also obtain information about your loans by accessing the National Student Loan Data System (NSLDS) at <https://nslds.ed.gov>. FINAL NOTES

Review all the information on the form. When you have completed the form, make a copy for your records and mail the original to us in the envelope provided, at the address shown on this page.

As soon as we receive your completed form, we will begin processing your request to add loans. During this time, we might contact you with questions.

In the meantime, if you currently are required to make payments on your loans, continue to do so. You will need to continue making payments until you receive written notification that your loans have been successfully added to your Direct Consolidation Loan. If you are having difficulty making payments on your loans, contact your loan holder or servicer at the correspondence address or telephone number on your current loan

statements to find out ways you might be able to postpone loan payments; you should ask specifically about your "deferment" and "forbearance" options.

IMPORTANT: We will send you a notice before we pay off your loans. This notice will:

1. Identify your loans that will be consolidated and show the payoff amounts for those loans that we have verified with your loan holders or through NSLDS, and
2. Tell you the deadline by which you must notify us if you want to cancel your application for the Direct Consolidation Loan, or if you do not want to consolidate one or more of the loans identified in the notice as loans that will be consolidated.

You must inform us by the deadline specified in the notice if you do not want all of the loans listed in the notice to be consolidated.

If you have any loans that will not be consolidated, the notice will also identify those loans.
