

First, we ask whether your state collects data on different aspects of recycling programs and activities. Additional space is provided below each question for any related comments you might have.

1. Does your state collect data on the number of community curbside recycling programs in the state?

Yes No

Comments:

2. Does your state collect data on the number of community drop-off recycling programs in the state?

Yes No

Comments:

[Q3 ONLY ASKED FOR 10 STATES THAT HAVE CONTAINER-DEPOSIT LEGISLATION]

3. Does your state collect data on the total amount of residential packaging materials collected through deposit programs?

Yes No

Comments:

4. Does your state collect data on the total amount of residential materials collected through curbside programs annually?

Yes No

Comments:

5. Does your state collect data on the types of materials accepted by each recycling program in the state?

Yes No

Comments:

6. Does your state collect data on the number of citizens with access to recycling services on par with access to disposal?

Yes No

Comments:

7. Does your state collect data on the inbound contamination rates of community recycling programs?

Yes No

Comments:

8. Does your state collect data on the capture rates of community recycling programs?

Yes No

Comments:

9. Does your state collect data on the types of single use plastics currently in commerce in the state?

Yes No

Comments:

10. Does your state collect data on the rates at which single use plastics are recycled in the state?

Yes No *[IF NO THEN Q12]*

Comments:

11. Does your state collect data on the rates at which single use plastics are recycled in the state by plastic type?

Yes No

Comments:

12. Does your state collect data on the rates at which aluminum cans are recycled in the state?

Yes No

Comments:

13. Does your state measure a recycling rate at the state level?

Yes → Rate: _____% No *[IF NO THEN Q15]*

Comments:

14. Briefly, how is the state-level recycling rate calculated?

Next, we ask for your best estimates of several of the characteristics described in the first section.

15. Please provide your best estimate of the percentage of all communities in your state that have access to curbside recycling programs

2.			%
----	--	--	---

16. Please provide your best estimate of the percentage of all communities in your state that have access to drop-off recycling

2.			%
----	--	--	---

17. Please provide your best estimate of the percentage of all communities in your state that do not have access to recycling services

17.			%
-----	--	--	---

18. Please provide your best estimate of the total recycling tonnage collected in your state

										Tons
--	--	--	--	--	--	--	--	--	--	------

18. Please provide your best estimate of the percentage of total recycling tonnage that is collected through curbside recycling programs

18.		%
-----	--	---

[Q20 ONLY ASKED FOR 10 STATES THAT HAVE CONTAINER-DEPOSIT LEGISLATION]

20. Please provide your best estimate of the percentage of total recycling tonnage that is collected through your state's deposit program

20.

Paperwork Reduction Act Burden Statement

This collection of information is approved by OMB under the Paperwork Reduction Act, 44 U.S.C. 3501 et seq. (OMB Control No. 2050-XXXX). Responses to this collection of information are voluntary (40 CFR 152.132). An agency may not conduct or sponsor, and a person is not required to, respond to a collection of information unless it displays a currently valid OMB control number. The annual public reporting and recordkeeping burden for this collection of information is estimated to average 20 minutes per response. You may send comments regarding the EPA's need for this information, the accuracy of the provided burden estimates, and any suggested methods for minimizing respondent burden, including through the use of automated collection techniques to Jason Walker, Program Analyst, Office of Resource Conservation and Recovery, U.S. Environmental Protection Agency(2822T), 1200 Pennsylvania Ave., NW, Washington, D.C. 20460. Please include the OMB Control No. in any correspondence. Send only comments to this address.
