**Public Reporting Burden** for this collection of information is estimated to be .25 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. This agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless that collection displays a valid OMB control number.

This information is collected in connection with HUD's Housing Counseling Program and will be used to determine eligibility for Program participation under Section 106 of the Housing and Community Development Action of 1974. The information is considered sensitive and is protected by the Privacy Act which requires the records to be maintained with appropriate administrative, technical and physical safeguards to ensure their security and confidentiality.

Thank you for participating in our survey.

Thank you for participating in our survey. Our goal is to utilize this data to inform decisions that will help to promote wealth-building through homeownership in underrepresented communities. The information gathered here is for research and informational purposes only and will not be used in any funding or performance review decisions.

Please respond to the best of your ability based on agency information for FY2021 (Oct 2020 - Sep 2021).

Please submit only one survey response for the agency listed in the email you received, and be sure to include information from any of your branch agencies that do not submit their own 9902 reporting forms.

As a thank you to those who successfully complete this survey, some agencies will be selected to attend a virtual "coffee" listening session with HUD's Housing Counseling leadership to discuss equity innovations in Housing Counseling.
