

**HUD Manufactured Home
Installation Certification
And Verification Report**

**U.S. Department of Housing and Urban Development
Office of Manufactured Housing Programs**

OMB Approval No. 2502-0578
Expires 07/31/2022

The Manufactured Housing Installation Program Regulations 24 CFR Chapter XX Part 3286 Sections 111 and 411 require the licensed installer certify that the manufactured home has been installed and inspected in accordance with the regulations. The Manufactured Housing Installation Program Regulations 24 CFR Chapter XX Part 3286 Subpart F requires a qualified inspector verify that the manufactured home has been installed in accordance with the requirements of Part 3286 and Part 3285. The information collected here will ensure that the licensed installers and qualified inspectors inspect the minimum elements for compliance. The public record burden for the collection of information is estimated to average 1 hour per response including the time to review instructions, search existing data sources, gather and maintain the data needed, and complete and review the collected information. Response to this information is required to certify and verify home inspection. This agency may not collect this information, and you are not required to complete this form, unless the form displays a currently valid OMB control number.

Certification Label Number(s) (include all zeros and agency prefix)	Manufacturer's Serial Number(s) (include all letters and numbers)	_____ (Installer Name)	_____ (HUD License No.)
_____ (Homeowner Name)	_____ (State)	_____ (Inspector Name)	_____ (State)
_____ (Street Address)	_____ (City)	_____ (Zip)	_____ (Street Address)

Completion of operational checks and adjustments	<input type="checkbox"/> Pass	<input type="checkbox"/> Fail	<input type="checkbox"/> N/A	<input type="checkbox"/> Pass	<input type="checkbox"/> Fail	<input type="checkbox"/> N/A

2. Reinspection of Home (To be completed and initialed by the inspector)

If the inspector discovers that any item during the Initial Inspection fails to comply with the manufacturer's installation instructions or with an installation design and instructions that have been certified by a professional engineer or registered architect, the installation must be reinspected after the installation is corrected.

Briefly describe the work that did not pass the initial inspection. Upon reinspection, inspector must initial item(s) that are in compliance. Attach additional sheet(s) if necessary.

3. Inspector Verification

I have performed a visual inspection in accordance with 24 CFR § 3286.507, of the manufactured home installation identified above. I have inspected the minimum elements noted above, as required by 24 CFR § 3286.505 and the items above have been installed in accordance with an installation design and instructions that have been provided by the manufacturer and approved by the DAPIA or an installation design and instructions that have been prepared and certified by a professional engineer or registered architect that have been approved by the manufacturer and the DAPIA as providing a level of protection for residents of the home that equals or exceeds the protection provided by the federal installation standards in part 3285 of this chapter. It is a crime to knowingly make false statements in any matter within the jurisdiction of the United States such as the verification statement on this or any similar form. Penalties upon conviction can include a fine and imprisonment. See 18 U.S. Code Section 1001.
