SUPPLEMENTARY INFORMATION: This notice informs the public that HUD is seeking approval from OMB for the information collection described in Section A.

The **Federal Register** notice that solicited public comment on the information collection for a period of 60 days was published on March 9, 2022 at 87 FR 13305.

A. Overview of Information Collection

Title of Proposal: HOPE VI Implementation and HOPE VI Main Street Programs.

OMB Control Number: 2577-0208.

Type of Request: Extension of a currently approved collection.

Form Number: HUD-52825-A, HUD-52861, HUD-53001-A.

Description of the need for the information and proposed use: Section 24 of the U.S. Housing Act of 1937, as added by Section 535 of the Quality Housing and Work Responsibility Act of 1998 (Pub. L. 105-276, 112 Stat. 2461, approved October 21, 1998) and revised by the HOPE VI Program Reauthorization and Small Community Main Street Rejuvenation and Housing Act of 2003 (Pub. L. 108-186, 117 Stat. 2685, approved December 16, 2003), established the HOPE VI program for the purpose of making assistance available on a competitive basis to public housing agencies (PHAs) to improve the living environment for public housing residents of severely distressed public housing projects (or portions thereof); and, beginning in Fiscal Year 2004, to rejuvenate the traditional or historic downtown areas of smaller units of local government. Funds were appropriated for competitive HOPE VI Implementation Notices of Funding Availability (NOFAs) through Fiscal Year 2011.

Remaining HOPE VI Implementation grants account for most of the burden. However, HOPE VI funds are no longer being appropriated. HOPE VI Main Street funds are being funded through the Choice Neighborhoods Initiative appropriations. Currently, there are approximately 35 HOPE VI Implementation grants that remain active and must be monitored by HUD. HUD publishes competitive bi-annual NOFAs for the HOPE VI Main Street program and monitors grants that have been awarded through those NOFAs. These information collections are required in connection with the monitoring of the remaining active HOPE VI Implementation grants and the bi-annual publication on *http://www.grants.gov* of HOPE VI Main Street NOFAs, contingent upon available funding and authorization, which announce the availability of funds provided in annual appropriations for Section 24 of the Housing Act of 1937, as amended.

Eligible units of local government interested in obtaining HOPE VI Main Street grants are required to submit applications to HUD, as explained in each NOFA. The information collection conducted in the applications enables HUD to conduct a comprehensive, merit-based selection process in order to identify and select the applications to receive funding. With the use of HUD-prescribed forms, the information collection provides HUD with sufficient

information to approve or disapprove applications.

Applicants that are awarded HOPE VI Implementations grants are required to report on a quarterly basis on their Implementation grant revitalization activities. HOPE VI Implementation grantees do this by sending emails to the

HUD grant managers. HUD reviews and evaluates the collected information and uses it as a primary tool with which to monitor the status of HOPE VI projects and programs.

Members of affected public: Public Housing Agencies, Units of Local Government.
