

PRA Language

For Activity Planning:

In accordance with the Paperwork Reduction Act, HUD may not conduct and sponsor, and a person is not required to respond to, a collection of information unless the collection displays a valid OMB control number. This collection of information is required to fulfill Capital Fund reporting requirements pursuant to 24 CFR 905.300. The Energy and Performance Information Center (EPIC) system provides a streamlined way for public housing agencies (PHAs) to meet these reporting requirements. HUD will use this information to fulfill its oversight responsibilities. No assurances of confidentiality are provided for this information collection. The individual public reporting burden for each instrument, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information estimated to average 2 hours per response per respondent for the 5-Year Action Plan, 1 hour per response per respondent for the Annual Statement/Budget/P&E and 30 minutes per response per respondent for the Document Management Center.

For Core Activity:

In accordance with the Paperwork Reduction Act, HUD may not conduct and sponsor, and a person is not required to respond to, a collection of information unless the collection displays a valid OMB control number. This collection of information is required to improve implementation of energy efficiency regulations pursuant to 24 CFR 965 Subpart C. The Energy and Performance Information Center (EPIC) system provides a streamlined way for public housing agencies (PHAs) to meet these reporting requirements. HUD will use this information to fulfill its oversight responsibilities. No assurances of confidentiality are provided for this information collection. The individual public reporting burden for each instrument, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information estimated to average 2 hours per response per respondent for Core Activity.

For EPC:

In accordance with the Paperwork Reduction Act, HUD may not conduct and sponsor, and a person is not required to respond to, a collection of information unless the collection displays a valid OMB control number. This collection of information is required to improve implementation of energy efficiency regulations pursuant to 24 CFR 965 Subpart C. The Energy and Performance Information Center (EPIC) system provides a streamlined way for public housing agencies (PHAs) to meet these reporting requirements. HUD will use this information to fulfill its oversight responsibilities. No assurances of confidentiality are provided for this information collection. The individual public reporting burden for each instrument, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information estimated to average 120 hours per response per respondent for EPC.

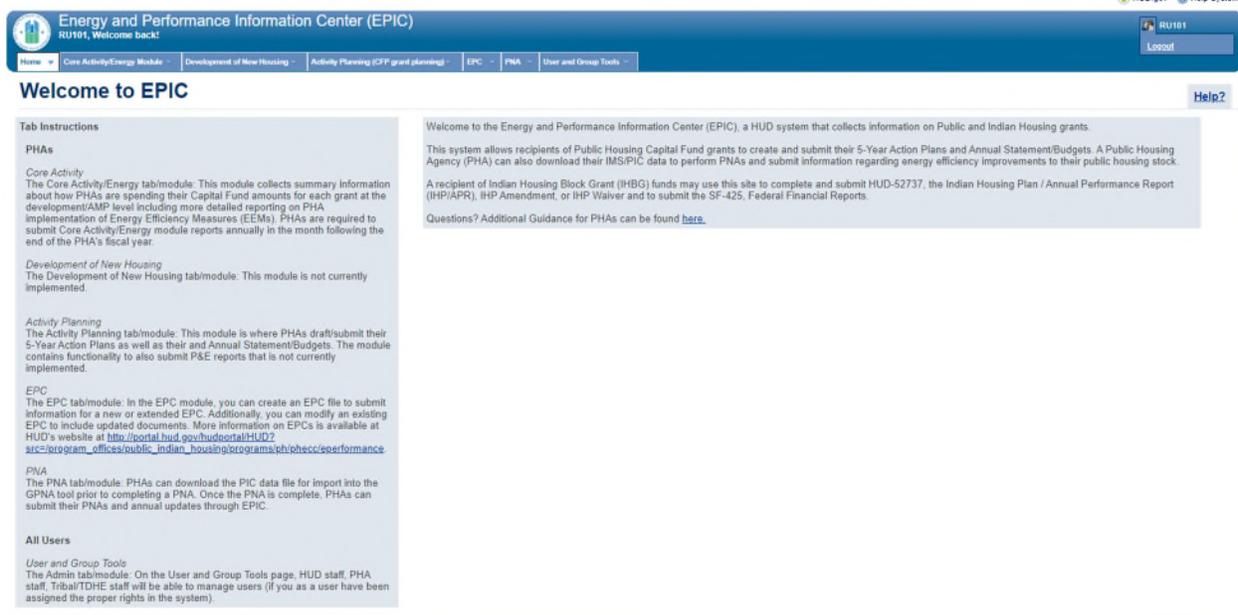

For Public Housing Development/MF Development:

In accordance with the Paperwork Reduction Act, HUD may not conduct and sponsor, and a person is not required to respond to, a collection of information unless the collection displays a valid OMB control number. This collection of information is required to fulfill Capital Fund reporting requirements pursuant to 24 CFR 905 Subpart F. The Energy and Performance Information Center (EPIC) system provides a streamlined way for public housing agencies (PHAs) to meet these reporting requirements. HUD will use this information to fulfill its oversight responsibilities. No assurances of confidentiality are provided for this information collection. The individual public reporting burden for each instrument, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information estimated to average 120 hour per response per respondent for the Public Housing Development and 20 minutes per response per respondent for the Mixed Finance Development.

For PNA

N/A as there is no collection (would require future enhancements and therefore a new PRA).

Close-Up PRA

The screenshot shows the Energy and Performance Information Center (EPIC) interface. The header includes the HUD logo, 'HUD.GOV', and 'Help System'. The main navigation bar contains 'Home', 'Core Activity/Energy Module', 'Development of New Housing', 'Activity Planning (CFP grant planning)', 'EPIC', 'PMA', and 'User and Group Tools'. Below the navigation bar, there are links for 'Public Housing Development', 'Replacement Housing Factor', and 'Planned Mixed-Finance Transactions'. The selected PHA is 'Collinsville Housing Authority'. The OMB CONTROL NUMBER is 2577-0274, and the EXPIRATION DATE is 03/31/2015. The main content area is titled 'PHD2 » Development of New Public Housing Module (including Mixed Finance Modernization)'. It includes a 'Help?' link and a status dropdown menu set to 'D' - In Development. A large text block contains the Paperwork Reduction Act Statement, and a smaller text block below it repeats the information about reporting requirements and confidentiality.

Public Housing Development

The screenshot shows the EPIC interface for the 'Planned Mixed Finance Transactions List'. The header and navigation bar are identical to the previous screenshot. The main content area is titled 'PMFT1 » Planned Mixed Finance Transactions List'. It includes a 'Help?' link and a yellow warning banner stating: 'Planned Mixed Finance Transaction reports are filed in by PHAs to indicate their future plans to HUD. You will not be held responsible for any incorrect data in these reports.' Below the banner is a 'Legend' section with three items: 'Report Not Submitted' (red circle), 'Report Submitted' (green circle), and 'Report Cannot be Changed' (yellow circle). The main table is titled 'Planned Mixed-Finance Transactions' and has columns for 'Reports Generated', 'Creation Date', and 'Submission Date & Time'. The table is currently empty, displaying 'No data available in table'. There is a search bar and a 'Create New Report' link. The footer shows 'Showing 0 to 0 of 0 entries' and navigation arrows for 'Previous' and 'Next'.
