

Veteran Employment Through Technology Education Courses (VET TEC) Online Application Form Screen Captures

PURPOSE

The purpose of this document is to provide images of the online VET TEC Application form (VA Form 22-0994) to facilitate the OMB form approval process. The VET TEC Application form allows Veterans to apply for the Veteran Employment Through Technology Education Courses (VET TEC) pilot program. The form will exist solely online and will be accessible via the VA.gov website.

SCREEN CAPTURES

The screen captures on the following pages illustrate the proposed user interface and content of VA Form 22-0994 that is currently on the VA.gov staging environment (**as of 03/04/2019**). Where applicable, multiple versions of the same page have been included to illustrate how additional form controls appear dynamically based on user responses.

Apply for Veteran Employment Through Technology Education Courses (VET TEC)

Equal to VA Form 22-0994 Application for Veteran Employment Through Technology Education Courses (VET TEC).

- 1 Note:** Since you're signed in to your account, we can prefill part of your application based on your account details. You can also save your application in progress and come back later to finish filling it out.

Follow the steps below to apply for VET TEC.

1 Prepare

To fill out this application, you'll need your:

- Direct deposit information
- Highest level of education
- Previous high-tech industry experience, if applicable
- Information about the training provider or program you want to attend (optional)

To be eligible for VET TEC, you need to be

- A Veteran with at least one day of unexpired education benefits, or
- A service member with 180 days or less left on active duty

You can complete the VET TEC application to see if you're eligible for the program, even if you haven't yet selected the training program you'd like to attend. [Learn more about the programs covered under VET TEC.](#)

What if I need help filling out my application? An accredited representative, like a Veterans Service Officer (VSO), can help you fill out your application. [Get help filing your claim.](#)

[about the programs covered under VET TEC.](#)

What if I need help filling out my application? An accredited representative, like a Veterans Service Officer (VSO), can help you fill out your application. [Get help filing your claim.](#)

2 Apply

Complete this VET TEC application.

After submitting the form, you'll get a confirmation message. You can print this for your records.

If you haven't already applied for VA education benefits, you'll need to fill out an Application for VA Education Benefits (VA Form 22-1990). We'll take you to that form after you submit your VET TEC application.

Note: If you already receive VA education benefits, you don't need to fill out VA Form 22-1990 again.

3 VA review

We usually process applications within 30 days. We'll let you know by mail if we need more information.

We offer tools and counseling programs to help you make the most of your educational options. [Learn about career counseling options](#)

4 Decision

You'll get a Certificate of Eligibility (COE), or award letter, in the mail if we've approved your application.

If your application wasn't approved, you'll get a denial letter in the mail.
