SUBJECT: Non-Substantive Change Request – Edit to the Team Nutrition Database’s
Enrollment Form for CACFP Organizations, Appendix 3, # 0584-0642 to Replace the Data
Universal Numbering System (DUNS) with the Unique Entity Identifier (UEI)

This is a non-substantive change request for the Team Nutrition Database, OMB # 0584-0642. Due to the OMB directive to move from the Data Universal Numbering System (DUNS) to the Unique Entity Identifier (UEI), the FNS-892 online form for Team Nutrition Child and Adult Care Food Program (CACFP) Organizations (Appendix 3) needs to be revised. The revision will include the replacement of the DUNS to the UEI. Records already approved and published with the DUNS will have that information saved to the Team Nutrition Database, however this information will only be seen by administrator users. All new enrollment forms and published records will have the new required UEI field.

To help to reduce the burden of updating and reviewing this information, FNS will search for the UEI of published organizations and provide a list to the contractor who will update the enrollment form and each organization’s record with the UEI. New organizations will only be required to include the UEI information on the enrollment form, therefore the time to complete the form will stay the same.

This memo seeks OMB’s approval for the non-substantive change request based on the summary of edits (below) and the attached Appendix 3. After you have reviewed this memo, please let us know if

you have questions. If you have any questions please contact Jamia Franklin, FNS Information Collection Clearance Officer for the Food and Nutrition Service, Planning & Regulatory Affairs Office at (703) 305-2403. Thank you for your consideration of this request.
