- V. Questions

The Food and Nutrition Service (FNS) is collecting this information to investigate (1) the dietary practices and the health and nutritional status of the WIC ITFPS-2 children during the ninth year of life; (2) if participants who left the study were systematically different than those who continued in the study and if these study participants left WIC at the same rate as their counterparts who remained in the study. This is a voluntary collection and FNS will use the information to inform WIC service delivery. The collection does request personally identifiable information under the Privacy Act of 1974. Responses will be kept private to the extent provided by law and FNS regulations. According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0584-0580. The
