Study of Nutrition and Activity in Child Care Settings II Provider Survey

The Food and Nutrition Service (FNS) is collecting this information to understand the nutritional quality of CACFP meals and snacks, the cost to produce them, and dietary intakes and activity levels of CACFP participants. This is a voluntary collection and FNS will use the information to examine CACFP operations. The collection does request personally identifiable information under the Privacy Act of 1974. Responses will be kept private to the extent provided by law and FNS regulations. According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0584-0669. The time required to complete this information collection is estimated to average 0.835 hours (50 minutes) per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: U.S. Department of Agriculture, Food and Nutrition Service, Office of Policy Support, 1320 Braddock Place, 5th Floor, Alexandria, VA 22314. ATTN: PRA (0584-0669). Do not return the completed form to this address.

Provider Survey Instructions

About the Study. The second Study of Nutrition and Activity in Child Care Settings (SNACS-II) will look at the nutrition and wellness practices in child care centers, family child care homes, and before and after school programs across the country. This important study will help providers, sponsors, and USDA understand how the Child and Adult Care Food Program (CACFP) operates so that it can better help children learn and grow. SNACS-II will provide an updated picture of the CACFP and examine how key outcomes have changed since updates to the meal patterns went into effect to encourage healthier eating. Under the terms of Section 28 of the Richard B. Russell National School Lunch Act, institutions participating in CACFP are required to participate in this data collection.

Protecting Privacy. Information gathered for SNACS-II is for research purposes only and will be kept private to the full extent allowed by law. Responses will be grouped together. No staff, parents/guardians, or children will be identified by name. Being part of the study will not affect CACFP benefits for programs or families.

About this Survey. The purpose of this survey is to learn about food and physical activity practices at child care facilities. Each section in the survey deals with a specific topic:

- 1) Background
- 2) Menu Planning
- 3) Food Purchasing
- 4) Food Preparation and Food Safety
- 5) Food/Beverage Serving Practices
- 6) Special Dietary Needs, Disabilities, and Impairments
- 7) Physical Activity
- 8) [DISPLAY IF PROGTYPE=1] Infant Feeding and Infant Physical Activity
- 9) Barriers to CACFP Participation

The survey can be accessed by more than one person at your program, and you can save portions of the survey to return to it later. After Section 1 is completed, the remaining sections do not have to be completed in order. Please have the person at your program most familiar with a given topic complete the section on that topic. If more than one person will be working on the survey, please close out of the web browser and forward the link to those people. **Only one person may be in the survey at a time.** Make sure that each person working on the survey enters their title, phone number, and email address when prompted.

A few more instructions before you begin:

- The preferred web browser for this survey is Chrome.
- If you need to exit this survey, you may return by visiting the same URL. If you need to go back to change an answer use the "BACK" button at the bottom of the screen. Do NOT use your browser's back button.
- The definition of some terms can be seen using hover text. Mouse over these terms to see the definition [HOVER DEFINITION], as demonstrated here.
- If you want to change your answer to a question that allows multiple answers, please click on the check box you selected to unselect your response. If you want to change your answer to a question that allows only one answer, please click on the radio button next to the correct response.

Questions. If you have any questions about the study or this survey, please feel free to call our toll-free number at 844-288-5645 or email SNACS2@mathematica-mpr.com. You may also visit <https://snacs2.org>.
