A Message from the Acting Director, U.S. Census Bureau:

You have been selected to participate in the **2021 Vehicle Inventory and Use Survey**, conducted in partnership with, and sponsored by, the Bureau of Transportation Statistics (BTS) to better understand the characteristics and use of trucks on our nation's roads. The data will be used to create investments in our nation's infrastructure, vehicle technologies and parts; as well as, to evaluate truck safety needs, emissions estimates, and conservation practices. The BTS is proud to be bringing back this survey after almost two decades to provide the needed timely data for the nation.

Vehicle:

Vehicle Identification Number (VIN):

Authentication Code:

Due Date:

1. **Register OR sign in** at <https://portal.census.gov>
2. **Add** your authentication code.
3. **Report** by clicking on "REPORT NOW." You can return to your account over multiple sessions to complete the survey.

Any data you provide will be kept strictly confidential and can only be used to produce aggregate statistics. Your response is required by law, and the data you provide **cannot be used against you in legal proceedings**. Information about the authority, confidentiality, and burden of this data collection can be found on the back of this letter.

OMB Number

This collection has been approved by the Office of Management and Budget (OMB). The eight-digit OMB approval numbers are 0607-0892 and 0607-XXXX and appears in the bottom left corner of each reporting screen. Without this approval, we could not conduct this survey.

Authority and Confidentiality

Title 13, United States Code, Sections 131 and 182, authorizes this collection. Sections 221, 224, and 225 require your response. The U.S. Census Bureau is required by Section 9 of the same law to keep your information confidential and use your responses only to produce statistics. The Census Bureau is not permitted to publicly release your responses in a way that could identify you, your business, organization, or institution. Per the Federal Cybersecurity Enhancement Act of 2015, your data are protected from cybersecurity risks through screening of the systems that transmit your data.

Burden Estimate Statement

We estimate the Vehicle Inventory and Use Survey will take an average of 65 minutes to complete. Factors such as the number, type(s), and activities of the sampled truck(s) will affect your actual time to complete the survey. This estimate includes the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.
