THANK YOU
for completing your 2021 Vehicle Inventory and Use Survey.

Please photocopy this form for your records and return the original to the Census Bureau in the envelope provided.

NOTICE

We estimate this survey will take an average of 65 minutes to complete. Factors such as the number, type(s), and activities of the sampled truck(s) will affect your actual time to complete the survey. This estimate includes the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. You may e-mail comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to: erd.survey.comments@census.gov. Be sure to use "ERD Survey Comments 0607-0892" as the subject.
