PRA Disclosure Statement

This information is being collected to assist the Centers for Medicare & Medicaid Services (CMS) with monitoring of deaths in psychiatric residential treatment facilities (PRTF) as well as the use of restraints and seclusion. This mandatory information collection (42 U.S.C. 1396a) will be used at an aggregate level to monitor the overall safety of children residing in PRTFs and the appropriate implementation of behavioral interventions and the safe use of restraint and seclusion, only as necessary. Under the Privacy Act of 1974 any personally identifying information obtained will be kept private to the extent of the law. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid Office of Management and Budget (OMB) control number. The control number for this project is 0938-0833 (Expires: TBD). Public burden for all of the collection of information requirements under this control number is estimated to range from 5 minutes to 8 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to CMS, 7500 Security Boulevard, Attn: Paperwork Reduction Act Reports Clearance Officer, Mail Stop C4-26-05, Baltimore, Maryland 21244-1850.
