

Instrument 2. Identifying and contact information - revised

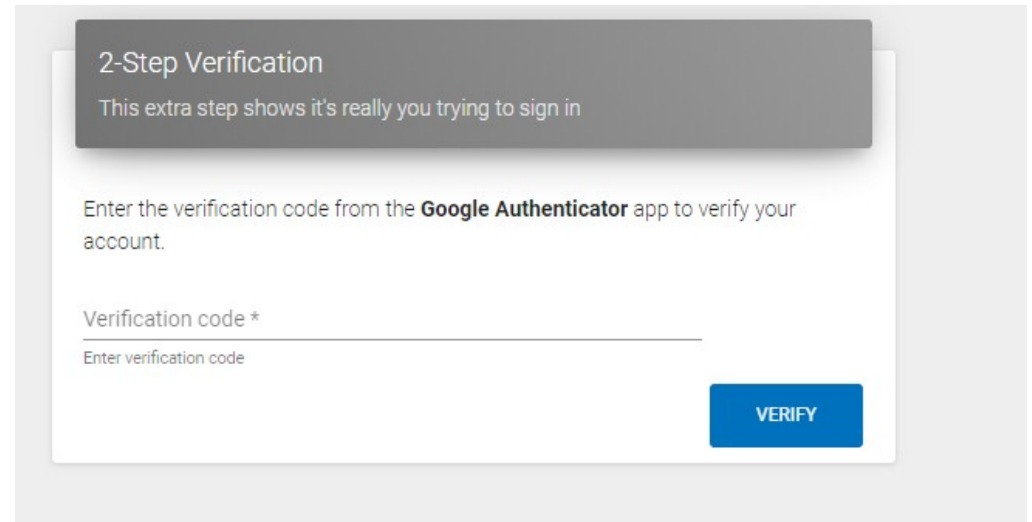

The purpose of this information collection is to evaluate innovative programs serving individuals facing challenges to employment and economic independence to expand the evidence base. Public reporting burden for this collection of information is estimated to average 25 minutes per response, including the time for reviewing instructions, gathering and maintaining the data needed, and reviewing the collection of information. This is a voluntary collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information subject to the requirements of the Paperwork Reduction Act of 1995, unless it displays a currently valid OMB control number. The OMB # is 0970-0545 and the expiration date is 04/30/2023. If you have any comments on this collection of information, please contact Mathematica at NextGenProject@mathematica-mpr.com.

Identifying and Contact Information Data Collection - Screens in the Random Assignment, Participant Tracking Enrollment, and Reporting, or RAPTER®, system

The screenshot shows the RAPTER login interface. At the top, there is a dark grey header with the RAPTER logo (the letter 'R' with three orange diamonds) and the text 'Sign in to continue.' Below the header, there are two input fields: 'Username *' with the placeholder text 'Enter username.' and 'Password *' with the placeholder text 'Enter password (case-sensitive)'. Below the password field, there are two links: 'FORGOT PASSWORD?' and 'NEED HELP SIGNING IN?'. At the bottom right, there is a blue button labeled 'NEXT →'.

A1. Login screens

The screenshot shows the 2-Step Verification screen. At the top, there is a dark grey header with the text '2-Step Verification' and 'This extra step shows it's really you trying to sign in'. Below the header, there is a text prompt: 'Enter the verification code from the **Google Authenticator** app to verify your account.' Below this, there is a 'Verification code *' input field with the placeholder text 'Enter verification code'. At the bottom right, there is a blue button labeled 'VERIFY'.

B3. Consent by Sample Member- if sample member is 18 and older

The screenshot shows a consent form interface. At the top left is a blue icon of two people. Below it is the instruction: "Read the consent statement below in full before recording the applicant's response." Below this is a language selection section with a dropdown menu currently set to "English" and an option for "Español". Below the language selection are three questions, each with radio button options for "Yes" and "No".

Annotation 1: An upward-pointing arrow is positioned above the dropdown menu. The text next to it reads: "Consent statement drops down when a user clicks on the down arrow."

Annotation 2: A left-pointing arrow is positioned to the left of the second question. The text next to it reads: "This question will only display for study sites enrolling applicants in school districts."

Annotation 3: A left-pointing arrow is positioned to the left of the third question. The text next to it reads: "If the applicant is enrolling in a school district that requires additional consent for the recording of study interviews they will receive this question before being routed to the applicant information screen."

At the bottom left of the form is a grey button with a left-pointing arrow and the text "BACK".
