Next Generation of Enhanced Employment Strategies (NextGen) Project: Cost Data Collection Workbook

Introduction and Instructions

As a part of the NextGen project, we would like to estimate the cost of providing [\[intervention name\]](#). This information will be helpful for your organization if it considers expanding to other organizations that wish to replicate [\[intervention name\]](#).

The goal of the cost collection is to estimate the cost of providing [\[intervention name\]](#) per participant. This workbook asks questions about the costs of implementing [\[intervention name\]](#).

How is the workbook organized?

This workbook contains eight tabs (tabs A-G).

*Tab A collects basic information on [\[intervention name\]](#) and should always be completed.

*Tab B collects the overall costs of [\[intervention name\]](#), and should be completed if not a social enterprise.

*Tabs C through F ask questions about the costs of staff and volunteers, purchased services, overhead, payments to participants and payments to employers, respectively. The

*Tab G is for social enterprises only. *[We will remove this tab for organizations that are not social enterprises].*

You can access each section by clicking on the tab at the bottom of this page. Please save this file after completing each section to make sure your work is recorded.

What time period does the workbook cover?

Please report costs for [\[specify reporting period\]](#).

What information should I use to complete the workbook?

You will need information about [\[intervention name\]](#)'s actual expenditures for study participants. Please use **actual payment records** rather than budgets to complete this workbook.

Who from my organization should complete the workbook?

A person familiar with [\[intervention name\]](#)'s expenditure and accounting records and the costs of resources used to provide [\[intervention name\]](#) should have primary responsibility. Please consult with other people to gather information required to address some questions.

What do I do after I complete the workbook?

Please complete the workbook by [\[specify deadline\]](#). When you have completed the workbook, please save the file, and submit to Mathematica via the secure evaluation File

How will you keep the information I provide private and secure?

The detailed information you provide will be kept private and secure. Information gathered through this workbook will be kept private to the extent permitted by law. Only the information you provide will be included in the public reports the total overall cost, cost per participant, and cost per participant-month of [\[intervention name\]](#).

Thank you for your participation in this important study.

PAPERWORK REDUCTION ACT OF 1995 (Pub. L. 104-13) STATEMENT OF PUBLIC BURDEN:

The purpose of this information collection is to evaluate innovative programs serving individuals facing challenges to employment and economic independence to expand the evidence base on effective interventions. The estimated burden is estimated to average 32 hours per response, including the time for reviewing instructions, gathering and maintaining the data needed, and reviewing the collection of information. This is a voluntary collection of information, and the information that is provided is confidential. If you do not provide this information, your sponsor, and a person is not required to respond to, a collection of information subject to the requirements of the Paperwork Reduction Act of 1995, unless it displays a currently valid OMB control number. The expiration date for this collection of information is 04/30/2023. If you have any comments on this collection of information, please contact Mathematica at NextGenProject@mathematica-mpr.com.
