

7-3000: TSC Summer Intern Program

U.S. Department of the Interior

Version: 05-2022

OMB Control Number: 1006-XXXX

Expiration Date: XX-XX-2025

Paperwork Reduction Act (Act) Statement

This information is needed to recruit eligible students to participate in the Bureau of Reclamation's Technical Service Center (TSC) Summer Intern Program. Responses are necessary to receive or maintain a benefit; without this information, the TSC will not be able to select individuals to be hired as interns. The reporting burden to the public for this application is estimated to average 2 hours and 33 minutes per response, including time for completing the form and preparing and uploading a letter of interest and resume. In accordance with the Act, Reclamation may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid Office of Management and Budget control number. Please direct comments regarding the burden estimate or any other aspect of this form to the Bureau of Reclamation, Denver Federal Center, Attention: 86-68540, P.O. Box 25007, Denver, CO 80225.

Privacy Act Statement

In compliance with the Privacy Act of 1974, authority for requesting this information is contained in 5 U.S.C 1302, 3109, 3301, 3302, 3304, 3305, 3306, 3307, 3309, 3313, 3317, 3318, 3319, 3326, 4103, 4723, 5532, 5533, Executive Order 9397 and is covered under the Privacy Act system of record OPM/GOVT-5, Recruiting, Examining, and Placement Records. The principal purpose for collecting the requested information is to recruit eligible students to participate in Reclamation's TSC Summer Intern Program. Providing the information is voluntary; however, not providing the requested information may result in not being selected for the TSC Summer Intern Program.
