

| Welcome and Thank You Text  |  |
|---|--|
| <p><b>Welcome Text - Alternate</b></p> <p>Thank you for visiting the Environmental Protection Agency (EPA). You have been randomly selected to take part in this survey that ForeSee is conducting on behalf of the EPA. Please take a few minutes to give us your feedback. The feedback you provide will help the EPA enhance its site and serve you better. All results are strictly confidential.</p> | <p><b>Thank You Text - Alternate</b></p> <p>Thank you for your time in completing this survey. Your input is very valuable and will be taken into consideration.</p> |

**Question Text**

For this visit to the EPA website, which of the following best describes you?

Please explain your role in visiting this website:

How frequently do you use the EPA website?

Were you looking for information related to COVID-19 today?

What kind of information were you looking for today?  
(Please check all that apply)

Please tell us what information were you looking for today.

What data or statistics were you looking for?

Which of the following topics best describes the information you wanted today?

What other topic best describes the reason for your visit?

Did you visit the Acid Rain web page?

Did you find the Acid Rain web page to be helpful?

What about the Acid Rain web page was not helpful?

Please specify the navigation issues you encountered.

Please specify what was not helpful.

What section(s) of the Acid Rain web page did you visit?  
(Please check all that apply)

How can we improve the Acid Rain web page?

Did you visit the International Cooperation pages?

Which sections of the International Cooperation site did you visit? (Please check all that apply)

What other pages of the International Cooperation site did you visit?

Did you find the International Cooperation pages to be helpful?

What about the International Cooperation pages was not helpful? (Please check all that apply)

Please specify what was not helpful.

When visiting the International Cooperation pages, did you notice the Twitter feed or visit @EPAallnations on Twitter? (Please check all that apply)

How would you describe the information on the International Cooperation pages?

How can we improve the International Cooperation pages?

Did you visit any pages about Beaches?

Where do you typically go first to find Beach related information?

Please tell us where you go to find Beach related information.

How would you describe the Beach information on EPA.gov?

Please describe what was unclear about the information you viewed during your site visit today.

Is the Beach information broken out by specific topic (Learn, Act, Technical Resources.) organized in a way to help you find what you need?

Please tell us how you would like to see the Beach information organized.

After visiting the site, do you know who to contact to get more Beach information?

Did you find the information you were looking for today?

Please tell us what couldn't you find.

If you used the site search tools today, which of the following best describes your experience? (Please check all that apply)

Please describe your experience with the search tool:

How was your experience navigating epa.gov today?  
(Please check all that apply)

Excluding search, please describe the difficulty you had with navigating the site today:

What is one change EPA could make to this site that would make it easier to use?

**Question Text**

For this visit to the EPA website, which of the following best describes you?

Please explain your role in visiting this website:

How frequently do you use the EPA website?

Did you visit the Green Vehicle Guide at epa.gov today?

How did you first hear about the Green Vehicle Guide?

What was your primary reason for visiting the Green Vehicle Guide?

Did you visit any of the following sections in the Green Vehicle Guide today? (Select all that apply)-

Were you able to find the information you needed today at the Green Vehicle Guide?

Please tell us what information you were looking for.

Was the information presented in a useful way?

Did the Green Vehicle Guide enhance your knowledge about vehicles, transportation, and emissions?

Please tell us how you would like to see the information presented.

Will your car buying choices, now or in the future, be informed by the information you read on the Green Vehicle Guide?

Will you share any of information you found on the Green Vehicle Guide today with others?

Please tell us why you will not be sharing any of the information you found on the Green Vehicle Guide today with others.

Why did you visit the EPA website today? (Please check all that apply)

Please tell us why you visited the EPA website today:-

What did you come to learn about or research? (Please check all that apply)

How did you find out about the Science Inventory?-

What type of information were you looking for in the Science Inventory?-

Did you find what you were looking for in the Science Inventory?-

Please tell us what information you could not find in the

What type of EPA research were you primarily looking for today?-

Please tell us what other type of EPA research you were looking for today:-

How will you be using the EPA research information you found during your visit today?-

~~How else will you be using the EPA research information you found during your visit today?~~

Were you looking for information related to COVID-19 today?

What kind of information were you looking for today?  
(Please check all that apply)

Please tell us what information were you looking for today.

What data or statistics were you looking for?

~~Please describe what information you came to submit  
(Please check all that apply)~~

Which of the following topics best describes the information you wanted today?

What other topic best describes the reason for your visit?

What led you to visit EPA.gov to find radiation information?

Please specify what else led you to visit EPA.gov to find radiation topics.

Which of the following radiation information topics did you view during your site visit today? (Please check all that apply)

Please specify the radiation information that you viewed during your site visit today.

How would you describe the radiation information on EPA.gov?

Please describe what was unclear about the radiation information you viewed during your site visit today.

After visiting the site, do you have a better idea of EPA's role in radiation protection?

After visiting the site, do you know who to contact to get more information or to report an incident?

To what degree does the information on How's My Waterway make sense to you?

Please describe what was unclear about the information you viewed today.

What are your top three questions about water resources?

How helpful was **How's My Waterway** in answering your top three questions?

What additional information are you looking for that you did not find today?

What suggestions do you have to help improve **How's My Waterway** tool and content?

How do you use the information provided by **How's My Waterway**?

Did you visit the Acid Rain web page?

|   |
|---|
|   |
| Did you find the Acid Rain web page to be helpful?  |
| What about the Acid Rain web page was not helpful?  |
| Please specify the navigation issues you encountered.   |
| Please specify what was not helpful.  |
| What section(s) of the Acid Rain web page did you visit?<br>(Please check all that apply)         |
| How can we improve the Acid Rain web page?  |
| Did you visit the International Cooperation pages?  |
| Which sections of the International Cooperation site did you visit? (Please check all that apply) |

What other pages of the International Cooperation site did you visit?

Did you find the International Cooperation pages to be helpful?

What about the International Cooperation pages was not helpful? (Please check all that apply)

Please specify what was not helpful.

When visiting the International Cooperation pages, did you notice the Twitter feed or visit @EPAallnations on Twitter? (Please check all that apply)

How would you describe the information on the International Cooperation pages?

How can we improve the International Cooperation pages?

Did you visit any pages about Beaches?

Where do you typically go first to find Beach related information?

Please tell us where you go to find Beach related information.

How would you describe the Beach information on EPA.gov?

Please describe what was unclear about the information you viewed during your site visit today.

Is the Beach information broken out by specific topic (Learn, Act, Technical Resources.) organized in a way to help you find what you need?

Please tell us how you would like to see the Beach information organized.

After visiting the site, do you know who to contact to get more Beach information?

Did you find the information you were looking for today?

Please tell us what couldn't you find.

~~Once you arrived on the site today, how did you look for information? (Please check all that apply)~~

~~The other way I looked for information was:~~

If you used the site search tools today, which of the following best describes your experience? (Please check all that apply)

Please describe your experience with the search tool:

~~What search terms did you use?~~

How was your experience navigating epa.gov today?  
(Please check all that apply)

Excluding search, please describe the difficulty you had with navigating the site today:

What is one change EPA could make to this site that would make it easier to use?

**Question Text**

For this visit to the EPA website, which of the following best describes you?

Please explain your role in visiting this website:

How frequently do you use the EPA website?

Did you visit the Green Vehicle Guide at epa.gov today?

How did you first hear about the Green Vehicle Guide?

What was your primary reason for visiting the Green Vehicle Guide?

Did you visit any of the following sections in the Green Vehicle Guide today? (Select all that apply)

Were you able to find the information you needed today at the Green Vehicle Guide?

Please tell us what information you were looking for.

Was the information presented in a useful way?

Did the Green Vehicle Guide enhance your knowledge about vehicles, transportation, and emissions?

Please tell us how you would like to see the information presented.

Will your car buying choices, now or in the future, be informed by the information you read on the Green Vehicle Guide?

Will you share any of information you found on the Green Vehicle Guide today with others?

Please tell us why you will not be sharing any of the information you found on the Green Vehicle Guide today with others.

Why did you visit the EPA website today? (Please check all that apply)

Please tell us why you visited the EPA website today:

What did you come to learn about or research? (Please check all that apply)

How did you find out about the Science Inventory?

What type of information were you looking for in the Science Inventory?

Did you find what you were looking for in the Science Inventory?

Please tell us what information you could not find in the

What type of EPA research were you primarily looking for today?

Please tell us what other type of EPA research you were looking for today:

How will you be using the EPA research information you found during your visit today?

How else will you be using the EPA research information you found during your visit today?

What kind of information were you looking for today?  
(Please check all that apply)

Please tell us what information were you looking for today that you did not find?

What data, statistics, or scientific methods or models were you looking for?

Please describe what information you came to submit  
(Please check all that apply)

Which of the following topics best describes the information you wanted today?

What other topic best describes the reason for your visit?

What led you to visit EPA.gov to find radiation information?

Please specify what else led you to visit EPA.gov to find radiation topics.

Which of the following radiation information topics did you view during your site visit today? (Please check all that apply)

Please specify the radiation information that you viewed during your site visit today.

How would you describe the radiation information on EPA.gov?

Please describe what was unclear about the radiation information you viewed during your site visit today.

After visiting the site, do you have a better idea of EPA's role in radiation protection?

After visiting the site, do you know who to contact to get more information or to report an incident?

To what degree does the information on How's My Waterway make sense to you?

Please describe what was unclear about the information you viewed today.

What are your top three questions about water resources?

How helpful was **How's My Waterway** in answering your top three questions?

What additional information are you looking for that you did not find today?

What suggestions do you have to help improve **How's My Waterway** tool and content?

How do you use the information provided by **How's My Waterway**?

Did you visit the Acid Rain web page?

|   |
|---|
|   |
| Did you find the Acid Rain web page to be helpful?  |
| What about the Acid Rain web page was not helpful?  |
| Please specify the navigation issues you encountered.   |
| Please specify what was not helpful.  |
| What section(s) of the Acid Rain web page did you visit?<br>(Please check all that apply)         |
| How can we improve the Acid Rain web page?  |
| Did you visit the International Cooperation pages?  |
| Which sections of the International Cooperation site did you visit? (Please check all that apply) |

What other pages of the International Cooperation site did you visit?

Did you find the International Cooperation pages to be helpful?

What about the International Cooperation pages was not helpful? (Please check all that apply)

Please specify what was not helpful.

When visiting the International Cooperation pages, did you notice the Twitter feed or visit @EPAallnations on Twitter? (Please check all that apply)

How would you describe the information on the International Cooperation pages?

How can we improve the International Cooperation pages?

Did you visit any pages about Beaches?

Where do you typically go first to find Beach related information?

Please tell us where you go to find Beach related information.

How would you describe the Beach information on EPA.gov?

Please describe what was unclear about the information you viewed during your site visit today.

Is the Beach information broken out by specific topic (Learn, Act, Technical Resources.) organized in a way to help you find what you need?

Please tell us how you would like to see the Beach information organized.

After visiting the site, do you know who to contact to get more Beach information?

Did you find the information you were looking for today?

Please tell us what couldn't you find.

Once you arrived on the site today, how did you look for information? (Please check all that apply)

The other way I looked for information was:

Which of the following best describes your experience with the search tools? (Please check all that apply)

Please describe your experience with the search tool:

What search terms did you use?

Which of the following best describes your navigation experience during your visit to the site today? (Please check all that apply)

Excluding search, please describe the difficulty you had with navigating the site today:

What is one change EPA could make to this site that would make it easier to use?

**Question Text**

For this visit to the EPA website, which of the following best describes you?

Please explain your role in visiting this website:

How frequently do you use the EPA website?

Did you visit the Green Vehicle Guide at epa.gov today?

How did you first hear about the Green Vehicle Guide?

What was your primary reason for visiting the Green Vehicle Guide?

Did you visit any of the following sections in the Green Vehicle Guide today? (Select all that apply)

Were you able to find the information you needed today at the Green Vehicle Guide?

Please tell us what information you were looking for.

Was the information presented in a useful way?

Did the Green Vehicle Guide enhance your knowledge about vehicles, transportation, and emissions?

Please tell us how you would like to see the information presented.

Will your car buying choices, now or in the future, be informed by the information you read on the Green Vehicle Guide?

Will you share any of information you found on the Green Vehicle Guide today with others?

Please tell us why you will not be sharing any of the information you found on the Green Vehicle Guide today with others.

Why did you visit the EPA website today? (Please check all that apply)

Please tell us why you visited the EPA website today:

What did you come to learn about or research? (Please check all that apply)

How did you find out about the Science Inventory?

What type of information were you looking for in the Science Inventory?

Did you find what you were looking for in the Science Inventory?

Please tell us what information you could not find in the

What type of EPA research were you primarily looking for today?

Please tell us what other type of EPA research you were looking for today:

How will you be using the EPA research information you found during your visit today?

How else will you be using the EPA research information you found during your visit today?

What kind of information were you looking for today?  
(Please check all that apply)

Please tell us what information were you looking for today that you did not find?

What data, statistics, or scientific methods or models were you looking for?

Please describe what information you came to submit  
(Please check all that apply)

Which of the following topics best describes the information you wanted today?

Did you visit the International Cooperation pages?-

Which sections of the International Cooperation site did you find visit? (Please check all that apply)

What other pages of the International Cooperation site did you visit?-

Did you find the International Cooperation pages to be helpful?-

What about the International Cooperation pages was not helpful? (Please check all that apply)

Please specify what was not helpful:-

When visiting the International Cooperation pages, did you notice the Twitter feed or visit @EPAallnations on Twitter? (Please check all that apply)-

~~How would you describe the information on the International Cooperation pages?~~

~~How can we improve the International Cooperation pages?~~

What other topic best describes the reason for your visit?

What led you to visit EPA.gov to find radiation information?

Please specify what else led you to visit EPA.gov to find radiation topics.

Which of the following radiation information topics did you view during your site visit today? (Please check all that apply)

Please specify the radiation information that you viewed during your site visit today.

How would you describe the radiation information on EPA.gov?

Please describe what was unclear about the radiation information you viewed during your site visit today.

After visiting the site, do you have a better idea of EPA's role in radiation protection?

After visiting the site, do you know who to contact to get more information or to report an incident?

~~Where do you typically go first to find Beach related information?~~

~~Please tell us where you go to find Beach related information.~~

~~How would you describe the Beach information on EPA.gov?~~

~~Please describe what was unclear about the information you viewed during your site visit today.~~

~~Is the Beach information broken out by specific topic (Learn, Act, Technical Resources.) organized in a way to help you find what you need?~~

~~Please tell us how you would like to see the Beach information organized.~~

~~After visiting the site, do you know who to contact to get more Beach information?~~

To what degree does the information on How's My Waterway make sense to you?

Please describe what was unclear about the information you viewed today.

What are your top three questions about water resources?

How helpful was **How's My Waterway** in answering your top three questions?

What additional information are you looking for that you did not find today?

What suggestions do you have to help improve **How's My Waterway** tool and content?

How do you use the information provided by **How's My Waterway**?

Did you visit the Acid Rain web page?

Did you find the Acid Rain web page to be helpful?

What about the Acid Rain web page was not helpful?

Please specify the navigation issues you encountered.

Please specify what was not helpful.

What section(s) of the Acid Rain web page did you visit?  
(Please check all that apply)

How can we improve the Acid Rain web page?

Did you visit the International Cooperation pages?

Which sections of the International Cooperation site did you visit? (Please check all that apply)

What other pages of the International Cooperation site did you visit?

Did you find the International Cooperation pages to be helpful?

What about the International Cooperation pages was not helpful? (Please check all that apply)

Please specify what was not helpful.

When visiting the International Cooperation pages, did you notice the Twitter feed or visit @EPAallnations on Twitter? (Please check all that apply)

How would you describe the information on the International Cooperation pages?

How can we improve the International Cooperation pages?

Did you visit any pages about Beaches?

**Question Text**

For this visit to the EPA website, which of the following best describes you?

Please explain your role in visiting this website:

How frequently do you use the EPA website?

Did you visit the Green Vehicle Guide at epa.gov today?

How did you first hear about the Green Vehicle Guide?

What was your primary reason for visiting the Green Vehicle Guide?

Did you visit any of the following sections in the Green Vehicle Guide today? (Select all that apply)

Were you able to find the information you needed today at the Green Vehicle Guide?

Please tell us what information you were looking for.

Was the information presented in a useful way?

Did the Green Vehicle Guide enhance your knowledge about vehicles, transportation, and emissions?

Please tell us how you would like to see the information presented.

Will your car buying choices, now or in the future, be informed by the information you read on the Green Vehicle Guide?

Will you share any of information you found on the Green Vehicle Guide today with others?

Please tell us why you will not be sharing any of the information you found on the Green Vehicle Guide today with others.

Why did you visit the EPA website today? (Please check all that apply)

Please tell us why you visited the EPA website today:

What did you come to learn about or research? (Please check all that apply)

How did you find out about the Science Inventory?

What type of information were you looking for in the Science Inventory?

Did you find what you were looking for in the Science Inventory?

Please tell us what information you could not find in the

What type of EPA research were you primarily looking for today?

Please tell us what other type of EPA research you were looking for today:

How will you be using the EPA research information you found during your visit today?

How else will you be using the EPA research information you found during your visit today?

What kind of information were you looking for today?  
(Please check all that apply)

Please tell us what information were you looking for today that you did not find?

What data, statistics, or scientific methods or models were you looking for?

Please describe what information you came to submit  
(Please check all that apply)

Which of the following topics best describes the information you wanted today?

Did you visit the International Cooperation pages?

Which sections of the International Cooperation site did you find visit? (Please check all that apply)

What other pages of the International Cooperation site did you visit?

Did you find the International Cooperation pages to be helpful?

What about the International Cooperation pages was not helpful? (Please check all that apply)

Please specify what was not helpful.

When visiting the International Cooperation pages, did you notice the Twitter feed or visit @EPAallnations on Twitter? (Please check all that apply)

How would you describe the information on the International Cooperation pages?

How can we improve the International Cooperation pages?

What other topic best describes the reason for your visit?

What led you to visit EPA.gov to find radiation information?

Please specify what else led you to visit EPA.gov to find radiation topics.

Which of the following radiation information topics did you view during your site visit today? (Please check all that apply)

Please specify the radiation information that you viewed during your site visit today.

How would you describe the radiation information on EPA.gov?

Please describe what was unclear about the radiation information you viewed during your site visit today.

After visiting the site, do you have a better idea of EPA's role in radiation protection?

After visiting the site, do you know who to contact to get more information or to report an incident?

Where do you typically go first to find Beach related information?

Please tell us where you go to find Beach related information.

How would you describe the Beach information on EPA.gov?

Please describe what was unclear about the information you viewed during your site visit today.

Is the Beach information broken out by specific topic (Learn, Act, Technical Resources.) organized in a way to help you find what you need?

Please tell us how you would like to see the Beach information organized.

After visiting the site, do you know who to contact to get more Beach information?

To what degree does the information on How's My Waterway make sense to you?

Please describe what was unclear about the information you viewed today.

What are your top three questions about water resources?

How helpful was **How's My Waterway** in answering your top three questions?

What additional information are you looking for that you did not find today?

What suggestions do you have to help improve **How's My Waterway** tool and content?

How do you use the information provided by **How's My Waterway**?

Did you visit the Acid Rain web page?

Did you find the Acid Rain web page to be helpful?

What about the Acid Rain web page was not helpful?

Please specify the navigation issues you encountered.

Please specify what was not helpful.

What section(s) of the Acid Rain web page did you visit?  
(Please check all that apply)

How can we improve the Acid Rain web page?

Did you find the information you were looking for today?

Please tell us what couldn't you find.

Once you arrived on the site today, how did you look for information? (Please check all that apply)

The other way I looked for information was:

Which of the following best describes your experience with the search tools? (Please check all that apply)

Please describe your experience with the search tool:

What search terms did you use?

Which of the following best describes your navigation experience during your visit to the site today? (Please check all that apply)

Excluding search, please describe the difficulty you had with navigating the site today:

What is one change EPA could make to this site that would make it easier to use?

**Question Text**

For this visit to the EPA website, which of the following best describes you?

Please explain your role in visiting this website:

How frequently do you use the EPA website?

Did you visit the Green Vehicle Guide at epa.gov today?

How did you first hear about the Green Vehicle Guide?

What was your primary reason for visiting the Green Vehicle Guide?

Did you visit any of the following sections in the Green Vehicle Guide today? (Select all that apply)

Were you able to find the information you needed today at the Green Vehicle Guide?

Please tell us what information you were looking for.

Was the information presented in a useful way?

Did the Green Vehicle Guide enhance your knowledge about vehicles, transportation, and emissions?

Please tell us how you would like to see the information presented.

Will your car buying choices, now or in the future, be informed by the information you read on the Green Vehicle Guide?

Will you share any of information you found on the Green Vehicle Guide today with others?

Please tell us why you will not be sharing any of the information you found on the Green Vehicle Guide today with others.

Why did you visit the EPA website today? (Please check all that apply)

Please tell us why you visited the EPA website today:

What did you come to learn about or research? (Please check all that apply)

How did you find out about the Science Inventory?

What type of information were you looking for in the Science Inventory?

Did you find what you were looking for in the Science Inventory?

Please tell us what information you could not find in the

What type of EPA research were you primarily looking for today?

Please tell us what other type of EPA research you were looking for today:

How will you be using the EPA research information you found during your visit today?

How else will you be using the EPA research information you found during your visit today?

What kind of information were you looking for today?  
(Please check all that apply)

Please tell us what information were you looking for today that you did not find?

What data, statistics, or scientific methods or models were you looking for?

Please describe what information you came to submit  
(Please check all that apply)

Which of the following topics best describes the information you wanted today?

Did you visit the International Cooperation pages?

Which sections of the International Cooperation site did you find visit? (Please check all that apply)

What other pages of the International Cooperation site did you visit?

Did you find the International Cooperation pages to be helpful?

What about the International Cooperation pages was not helpful? (Please check all that apply)

Please specify what was not helpful.

When visiting the International Cooperation pages, did you notice the Twitter feed or visit @EPAallnations on Twitter? (Please check all that apply)

How would you describe the information on the International Cooperation pages?

How can we improve the International Cooperation pages?

What other topic best describes the reason for your visit?

What led you to visit EPA.gov to find radiation information?

Please specify what else led you to visit EPA.gov to find radiation topics.

Which of the following radiation information topics did you view during your site visit today? (Please check all that apply)

Please specify the radiation information that you viewed during your site visit today.

How would you describe the radiation information on EPA.gov?

Please describe what was unclear about the radiation information you viewed during your site visit today.

After visiting the site, do you have a better idea of EPA's role in radiation protection?

After visiting the site, do you know who to contact to get more information or to report an incident?

Where do you typically go first to find Beach related information?

Please tell us where you go to find Beach related information.

How would you describe the Beach information on EPA.gov?

Please describe what was unclear about the information you viewed during your site visit today.

Is the Beach information broken out by specific topic (Learn, Act, Technical Resources.) organized in a way to help you find what you need?

Please tell us how you would like to see the Beach information organized.

After visiting the site, do you know who to contact to get more Beach information?

To what degree does the information on How's My Waterway make sense to you?

Please describe what was unclear about the information you viewed today.

What are your top three questions about water resources?

How helpful was **How's My Waterway** in answering your top three questions?

**Question Text**

For this visit to the EPA website, which of the following best describes you?

Please explain your role in visiting this website:

How frequently do you use the EPA website?

Did you visit the Green Vehicle Guide at epa.gov today?

How did you first hear about the Green Vehicle Guide?

What was your primary reason for visiting the Green Vehicle Guide?

Did you visit any of the following sections in the Green Vehicle Guide today? (Select all that apply)

Were you able to find the information you needed today at the Green Vehicle Guide?

Please tell us what information you were looking for.

Was the information presented in a useful way?

Did the Green Vehicle Guide enhance your knowledge about vehicles, transportation, and emissions?

Please tell us how you would like to see the information presented.

Will your car buying choices, now or in the future, be informed by the information you read on the Green Vehicle Guide?

Will you share any of information you found on the Green Vehicle Guide today with others?

Please tell us why you will not be sharing any of the information you found on the Green Vehicle Guide today with others.

Why did you visit the EPA website today? (Please check all that apply)

Please tell us why you visited the EPA website today:

What did you come to learn about or research? (Please check all that apply)

How did you find out about the Science Inventory?

What type of information were you looking for in the Science Inventory?

Did you find what you were looking for in the Science Inventory?

Please tell us what information you could not find in the

What type of EPA research were you primarily looking for today?

Please tell us what other type of EPA research you were looking for today:

How will you be using the EPA research information you found during your visit today?

How else will you be using the EPA research information you found during your visit today?

What kind of information were you looking for today?  
(Please check all that apply)

Please tell us what information were you looking for today that you did not find?

What data, statistics, or scientific methods or models were you looking for?

Please describe what information you came to submit  
(Please check all that apply)

Which of the following topics best describes the information

Did you visit the International Cooperation pages?

Which sections of the International Cooperation site did you find visit? (Please check all that apply)

What other pages of the International Cooperation site did you visit?

Did you find the International Cooperation pages to be helpful?

What about the International Cooperation pages was not helpful? (Please check all that apply)

Please specify what was not helpful.

When visiting the International Cooperation pages, did you notice the Twitter feed or visit @EPAallnations on Twitter? (Please check all that apply)

How would you describe the information on the International Cooperation pages?

How can we improve the International Cooperation pages?

Did you visit the Acid Rain web page?

Did you find the Acid Rain web page to be helpful?

What about the Acid Rain web page was not helpful?

Please specify the navigation issues you encountered.

Please specify what was not helpful.

What section(s) of the Acid Rain web page did you visit?  
(Please check all that apply)

How can we improve the Acid Rain web page?

What other topic best describes the reason for your visit?

What led you to visit EPA.gov to find radiation information?

Please specify what else led you to visit EPA.gov to find radiation topics.

Which of the following radiation information topics did you view during your site visit today? (Please check all that apply)

Please specify the radiation information that you viewed during your site visit today.

How would you describe the radiation information on EPA.gov?

Please describe what was unclear about the radiation information you viewed during your site visit today.

After visiting the site, do you have a better idea of EPA's role in radiation protection?

After visiting the site, do you know who to contact to get more information or to report an incident?

Where do you typically go first to find Beach related information?

Please tell us where you go to find Beach related information.

How would you describe the Beach information on EPA.gov?

Please describe what was unclear about the information you viewed during your site visit today.

Is the Beach information broken out by specific topic (Learn, Act, Technical Resources.) organized in a way to help you find what you need?

Please tell us how you would like to see the Beach information organized.

After visiting the site, do you know who to contact to get more Beach information?

To what degree does the information on How's My Waterway make sense to you?

Please describe what was unclear about the information you viewed today.

What are your top three questions about water resources?

How helpful was **How's My Waterway** in answering your top three questions?

What additional information are you looking for that you did not find today?

What suggestions do you have to help improve **How's My Waterway** tool and content?

How do you use the information provided by **How's My Waterway?**

Did you find the information you were looking for today?

Please tell us what couldn't you find.

Once you arrived on the site today, how did you look for information? (Please check all that apply)

The other way I looked for information was:

Which of the following best describes your experience with the search tools? (Please check all that apply)

Please describe your experience with the search tool:

What search terms did you use?

Which of the following best describes your navigation experience during your visit to the site today? (Please check all that apply)

Excluding search, please describe the difficulty you had with navigating the site today:

What is one change EPA could make to this site that would make it easier to use?

**Question Text**

For this visit to the EPA website, which of the following best describes you?

Please explain your role in visiting this website:

How frequently do you use the EPA website?

Did you visit the Green Vehicle Guide at epa.gov today?

How did you first hear about the Green Vehicle Guide?

What was your primary reason for visiting the Green Vehicle Guide?

Did you visit any of the following sections in the Green Vehicle Guide today? (Select all that apply)

Were you able to find the information you needed today at the Green Vehicle Guide?

Please tell us what information you were looking for.

Was the information presented in a useful way?

Did the Green Vehicle Guide enhance your knowledge about vehicles, transportation, and emissions?

Please tell us how you would like to see the information presented.

Will your car buying choices, now or in the future, be informed by the information you read on the Green Vehicle Guide?

Will you share any of information you found on the Green Vehicle Guide today with others?

Please tell us why you will not be sharing any of the information you found on the Green Vehicle Guide today with others.

Why did you visit the EPA website today? (Please check all that apply)

Please tell us why you visited the EPA website today:

What did you come to learn about or research? (Please check all that apply)

How did you find out about the Science Inventory?

What type of information were you looking for in the Science Inventory?

Did you find what you were looking for in the Science Inventory?

Please tell us what information you could not find in the Science Inventory:

What type of EPA research were you primarily looking for today?

Please tell us what other type of EPA research you were looking for today:

How will you be using the EPA research information you found during your visit today?

How else will you be using the EPA research information you found during your visit today?

What kind of information were you looking for today?  
(Please check all that apply)

Please tell us what information were you looking for today that you did not find?

What data, statistics, or scientific methods or models were you looking for?

Please describe what information you came to submit  
(Please check all that apply)

Which of the following topics best describes the information you wanted today?

Did you visit the International Cooperation pages?

Which sections of the International Cooperation site did you visit? (Please check all that apply)

What other pages of the International Cooperation site did you visit?

Did you find the International Cooperation pages to be helpful?

What about the International Cooperation pages was not helpful? (Please check all that apply)

Please specify what was not helpful.

When visiting the International Cooperation pages, did you notice the Twitter feed or visit @EPAallnations on Twitter?

How would you describe the information on the International Cooperation pages?

How can we improve the International Cooperation pages?

Did you visit the Acid Rain web page?

Did you find the Acid Rain web page to be helpful?

What about the Acid Rain web page was not helpful?

Please specify the navigation issues you encountered.

Please specify what was not helpful.

What section(s) of the Acid Rain web page did you visit?  
(Please check all that apply)

How can we improve the Acid Rain web page?

What other topic best describes the reason for your visit?

What led you to visit EPA.gov to find radiation information?

Please specify what else led you to visit EPA.gov to find radiation topics.

Which of the following radiation information topics did you view during your site visit today? (Please check all that apply)

Please specify the radiation information that you viewed during your site visit today.

How would you describe the radiation information on EPA.gov?

Please describe what was unclear about the radiation information you viewed during your site visit today.

After visiting the site, do you have a better idea of EPA's role in radiation protection?

After visiting the site, do you know who to contact to get more information or to report an incident?

Where do you typically go first to find Beach related information?

Please tell us where you go to find Beach related information.

How would you describe the Beach information on EPA.gov?

Please describe what was unclear about the information you viewed during your site visit today.

Is the Beach information broken out by specific topic (Learn, Act, Technical Resources.) organized in a way to help you find what you need?

Please tell us how you would like to see the Beach information organized.

After visiting the site, do you know who to contact to get more Beach information?

To what degree does the information on How's My Waterway make sense to you?

Please describe what was unclear about the information you viewed today.

What are your top three questions about water resources?

How helpful was **How's My Waterway** in answering your top three questions?

What additional information are you looking for that you did not find today?

What suggestions do you have to help improve **How's My Waterway** tool and content?

How do you use the information provided by **How's My Waterway**?

Did you find the information you were looking for today?

Please tell us what couldn't you find.

Once you arrived on the site today, how did you look for information? (Please check all that apply)

The other way I looked for information was:

Which of the following best describes your experience with the search tools? (Please check all that apply)

Please describe your experience with the search tool:

What search terms did you use?

Which of the following best describes your navigation experience during your visit to the site today? (Please check all that apply)

Excluding search, please describe the difficulty you had with navigating the site today:

What is one change EPA could make to this site that would make it easier to use?

**Question Text**

For this visit to the EPA website, which of the following best describes you?

Please explain your role in visiting this website:

How frequently do you use the EPA website?

Why did you visit the EPA website today? (Please check all that apply)

Please tell us why you visited the EPA website today:

What did you come to learn about or research? (Please check all that apply)

How did you find out about the Science Inventory?

What type of information were you looking for in the Science Inventory?

Did you find what you were looking for in the Science Inventory?

Please tell us what information you could not find in the Science Inventory:

What type of EPA research were you primarily looking for today?

Please tell us what other type of EPA research you were looking for today:

How will you be using the EPA research information you found during your visit today?

How else will you be using the EPA research information you found during your visit today?

What kind of information were you looking for today?  
(Please check all that apply)

[Empty orange box for user input]

Please tell us what information were you looking for today that you did not find?

Please describe what information you came to submit  
(Please check all that apply)

Which of the following topics best describes the information you wanted today?

What other topic best describes the reason for your visit?

What led you to visit EPA.gov to find radiation information?

Please specify what else led you to visit EPA.gov to find radiation topics.

Which of the following radiation information topics did you view during your site visit today? (Please check all that apply)

Please specify the radiation information that you viewed during your site visit today.

How would you describe the radiation information on EPA.gov?

Please describe what was unclear about the radiation information you viewed during your site visit today.

After visiting the site, do you have a better idea of EPA's role in radiation protection?

After visiting the site, do you know who to contact to get more information or to report an incident?

Where do you typically go first to find Beach related information?

Please tell us where you go to find Beach related information.

How would you describe the Beach information on EPA.gov?

Please describe what was unclear about the information you viewed during your site visit today.

Is the Beach information broken out by specific topic (Learn, Act, Technical Resources.) organized in a way to help you find what you need?

Please tell us how you would like to see the Beach information organized.

After visiting the site, do you know who to contact to get more Beach information?

To what degree does the information on How's My Waterway make sense to you?

Please describe what was unclear about the information you viewed today.

What are your top three questions about water resources?

How helpful was **How's My Waterway** in answering your top three questions?

What additional information are you looking for that you did not find today?

What suggestions do you have to help improve **How's My Waterway** tool and content?

How do you use the information provided by **How's My Waterway**?

Did you find the information you were looking for today?

Please tell us what couldn't you find.

Once you arrived on the site today, how did you look for information? (Please check all that apply)

The other way I looked for information was:

Which of the following best describes your experience with the search tools? (Please check all that apply)

Please describe your experience with the search tool:

What search terms did you use?

Which of the following best describes your navigation experience during your visit to the site today? (Please check all that apply)

Excluding search, please describe the difficulty you had with navigating the site today:

What is one change EPA could make to this site that would make it easier to use?

**Question Text**

For this visit to the EPA website, which of the following best describes you?

Please explain your role in visiting this website:

How frequently do you use the EPA website?

Why did you visit the EPA website today? (Please check all that apply)

Please tell us why you visited the EPA website today:

What did you come to learn about or research? (Please check all that apply)

How did you find out about the Science Inventory?

What type of information were you looking for in the Science Inventory?

Did you find what you were looking for in the Science Inventory?

Please tell us what information you could not find in the Science Inventory:

What type of EPA research were you primarily looking for today?

Please tell us what other type of EPA research you were looking for today:

How will you be using the EPA research information you found during your visit today?

How else will you be using the EPA research information you found during your visit today?

What kind of information were you looking for today?  
(Please check all that apply)

Please tell us what information were you looking for today that you did not find?

Please describe what information you came to submit  
(Please check all that apply)

Which of the following topics best describes the information you wanted today?

What other topic best describes the reason for your visit?

What led you to visit EPA.gov to find radiation information?

Please specify what else led you to visit EPA.gov to find radiation topics.

Which of the following radiation information topics did you view during your site visit today? (Please check all that apply)

Please specify the radiation information that you viewed during your site visit today.

How would you describe the radiation information on EPA.gov?

Please describe what was unclear about the radiation information you viewed during your site visit today.

After visiting the site, do you have a better idea of EPA's role in radiation protection?

After visiting the site, do you know who to contact to get more information or to report an incident?

Where do you typically go first to find Beach related information?

Please tell us where you go to find Beach related information.

How would you describe the Beach information on EPA.gov?

Please describe what was unclear about the information you viewed during your site visit today.

Is the Beach information broken out by specific topic (Learn, Act, Technical Resources.) organized in a way to help you find what you need?

Please tell us how you would like to see the Beach information organized.

After visiting the site, do you know who to contact to get more Beach information?

To what degree does the information on How's My Waterway make sense to you?

Please describe what was unclear about the information you viewed today.

What are your top three questions about water resources?

How helpful was **How's My Waterway** in answering your top three questions?

What additional information are you looking for that you did not find today?

What suggestions do you have to help improve **How's My Waterway** tool and content?

How do you use the information provided by **How's My Waterway**?

Did you find the information you were looking for today?

Please tell us what couldn't you find.

Once you arrived on the site today, how did you look for information? (Please check all that apply)

The other way I looked for information was:

Which of the following best describes your experience with the search tools? (Please check all that apply)

Please describe your experience with the search tool:

What search terms did you use?

Which of the following best describes your navigation experience during your visit to the site today? (Please check all that apply)

Excluding search, please describe the difficulty you had with navigating the site today:

What is one change EPA could make to this site that would make it easier to use?

**Question Text**

For this visit to the EPA website, which of the following best describes you?

Please explain your role in visiting this website:

How frequently do you use the EPA website?

Why did you visit the EPA website today? (Please check all that apply)

Please tell us why you visited the EPA website today:

What did you come to learn about or research? (Please check all that apply)

How did you find out about the Science Inventory?

What type of information were you looking for in the Science Inventory?

Did you find what you were looking for in the Science Inventory?

Please tell us what information you could not find in the Science Inventory:

What type of EPA research were you primarily looking for today?

Please tell us what other type of EPA research you were looking for today:

How will you be using the EPA research information you found during your visit today?

How else will you be using the EPA research information you found during your visit today?

What kind of information were you looking for today?  
(Please check all that apply)

Please tell us what information were you looking for today that you did not find?

Please describe what information you came to submit  
(Please check all that apply)

Which of the following topics best describes the information you wanted today?

What other topic best describes the reason for your visit?

What led you to visit EPA.gov to find radiation information?

Please specify what else led you to visit EPA.gov to find radiation topics.

Which of the following radiation information topics did you view during your site visit today? (Please check all that apply)

Please specify the radiation information that you viewed during your site visit today.

How would you describe the radiation information on EPA.gov?

Please describe what was unclear about the radiation information you viewed during your site visit today.

After visiting the site, do you have a better idea of EPA's role in radiation protection?

After visiting the site, do you know who to contact to get more information or to report an incident?

To what degree does the information on How's My Waterway make sense to you?

Please describe what was unclear about the information you viewed today.

What are your top three questions about water resources?

How helpful was **How's My Waterway** in answering your top three questions?

What additional information are you looking for that you did not find today?

What suggestions do you have to help improve **How's My Waterway** tool and content?

How do you use the information provided by **How's My Waterway**?

Did you find the information you were looking for today?

Please tell us what couldn't you find.

Once you arrived on the site today, how did you look for information? (Please check all that apply)

The other way I looked for information was:

Which of the following best describes your experience with the search tools? (Please check all that apply)

Please describe your experience with the search tool:

What search terms did you use?

Which of the following best describes your navigation experience during your visit to the site today? (Please check all that apply)

Excluding search, please describe the difficulty you had with navigating the site today:

What is one change EPA could make to this site that would make it easier to use?

**Question Text**

For this visit to the EPA website, which of the following best describes you?

Please explain your role in visiting this website:

How frequently do you use the EPA website?

Why did you visit the EPA website today? (Please check all that apply)

Please tell us why you visited the EPA website today:

What did you come to learn about or research? (Please check all that apply)

How did you find out about the Science Inventory?

What type of information were you looking for in the Science Inventory?

Did you find what you were looking for in the Science Inventory?

Please tell us what information you could not find in the Science Inventory:

What type of EPA research were you primarily looking for today?

Please tell us what other type of EPA research you were looking for today:

How will you be using the EPA research information you found during your visit today?

How else will you be using the EPA research information you found during your visit today?

What kind of information were you looking for today?  
(Please check all that apply)

Please tell us what information were you looking for today that you did not find?

Please describe what information you came to submit  
(Please check all that apply)

Which of the following topics best describes the information you wanted today?

What other topic best describes the reason for your visit?

What led you to visit EPA.gov to find radiation information?

Please specify what else led you to visit EPA.gov to find radiation topics.

Which of the following radiation information topics did you view during your site visit today? (Please check all that apply)

Please specify the radiation information that you viewed during your site visit today.

How would you describe the radiation information on EPA.gov?

Please describe what was unclear about the radiation information you viewed during your site visit today.

After visiting the site, do you have a better idea of EPA's role in radiation protection?

After visiting the site, do you know who to contact to get more information or to report an incident?

Did you find the information you were looking for today?

Please tell us what couldn't you find.

Once you arrived on the site today, how did you look for information? (Please check all that apply)

The other way I looked for information was:

Which of the following best describes your experience with the search tools? (Please check all that apply)

Please describe your experience with the search tool:

What search terms did you use?

Which of the following best describes your navigation experience during your visit to the site today? (Please check all that apply)

Excluding search, please describe the difficulty you had with navigating the site today:

What is one change EPA could make to this site that would make it easier to use?

**Question Text**

For this visit to the EPA website, which of the following best describes you?

Please explain your role in visiting this website:

Did you visit the EPA.gov site to obtain criminal case, civil or cleanup case information?

What specific criminal case, civil or cleanup case information were you looking for today?

What other civil, criminal, or cleanup information were you looking for today?

Did you visit the EPA.gov site for a policy or guidance concerning air, water, waste/chemical, cleanup or criminal enforcement issues?

Did you find what you were looking for today?

Is the Enforcement information broken out by specific topic (Air, water, waste/chemical, criminal enforcement, etc.) organized in a way to help you find information?

Please tell us how you would like to see the Enforcement information organized.

How frequently do you use the EPA website?

How did you get to the EPA website today?

Please specify what other source brought you to the EPA website today.

Did you visit the Green Vehicle Guide at epa.gov today?

How did you first hear about the Green Vehicle Guide?

What was your primary reason for visiting the Green Vehicle Guide?

Did you visit any of the following sections in the Green Vehicle Guide today? (Select all that apply)

Were you able to find the information you needed today at the Green Vehicle Guide?

Please tell us what information you were looking for.

Was the information presented in a useful way?

Did the Green Vehicle Guide enhance your knowledge about vehicles, transportation, and emissions?

Please tell us how you would like to see the information presented.

Will your car buying choices, now or in the future, be informed by the information you read on the Green Vehicle Guide?

Will you share any of information you found on the Green Vehicle Guide today with others?

Please tell us why you will not be sharing any of the information you found on the Green Vehicle Guide today with others.

Why did you visit the EPA website today? (Please check all that apply)

Please tell us why you visited the EPA website today:

What did you come to learn about or research? (Please check all that apply)

What kind of information were you looking for today?  
(Please check all that apply)

Please tell us what information were you looking for today that you did not find?

Please describe what information you came to submit  
(Please check all that apply)

Which of the following topics best describes the information you wanted today?

Is the EPA site your primary resource for obtaining lead information?

Please tell us your primary source for obtaining lead information.

Is the lead information presented in a format that you can use?

Please tell us in what format you would like to see the lead information presented.

What other topic best describes the reason for your visit?

What led you to visit EPA.gov to find radiation information?

Please specify what else led you to visit EPA.gov to find radiation topics.

Which of the following radiation information topics did you view during your site visit today? (Please check all that apply)

Please specify the radiation information that you viewed during your site visit today.

How would you describe the radiation information on EPA.gov?

Please describe what was unclear about the radiation information you viewed during your site visit today.

After visiting the site, do you have a better idea of EPA's role in radiation protection?

After visiting the site, do you know who to contact to get more information or to report an incident?

Did you visit the EPA.gov site to report a possible environmental violation?

Did you access the Environmental Violation Report form?

Were you able to submit the form?

What prevented you from submitting the Environmental Violation Form?

Why did you not submit the Environmental Violation Form?

Did you find the information you were looking for today?

Please tell us what couldn't you find.

Once you arrived on the site today, how did you look for information? (Please check all that apply)

The other way I looked for information was:

Which of the following best describes your experience with the search tools? (Please check all that apply)

Please describe your experience with the search tool:

What search terms did you use?

Which of the following best describes your navigation experience during your visit to the site today? (Please check all that apply)

Excluding search, please describe the difficulty you had with navigating the site today:

Did you interact with any of the following applications?

What other application did you interact with on the website today?

Please describe your experience with the application(s) you used during your visit today? Please provide as much detail as possible.

How often do you use the Envirofacts tool?

Why did you use the Envirofacts tool during your visit to EPA.gov today?

What is one change EPA could make to this site that would make it easier to use?

**Question Text**

For this visit to the EPA website, which of the following best describes you?

Please explain your role in visiting this website:

~~Which of the following best represents your role on the site today?~~

~~Is the Enforcement information broken out by specific topic (Air, water, waste/chemical, criminal enforcement, etc.) organized in a way to help you find information?~~

~~Please tell us how you would like to see the Enforcement information organized.~~

~~Did you visit the EPA.gov site to obtain criminal case, civil or cleanup case information?~~

~~What specific criminal case, civil or cleanup case information were you looking for today?~~

~~What other civil, criminal, or cleanup information were you looking for today?~~

~~Did you visit the EPA.gov site for a policy or guidance concerning air, water, waste/chemical, cleanup or criminal enforcement issues?~~

~~Did you find what you were looking for today?~~

Did you visit the EPA.gov site to obtain criminal case, civil or cleanup case information?

What specific criminal case, civil or cleanup case information were you looking for today?

What other civil, criminal, or cleanup information were you looking for today?

Did you visit the EPA.gov site for a policy or guidance concerning air, water, waste/chemical, cleanup or criminal enforcement issues?

Did you find what you were looking for today?

Is the Enforcement information broken out by specific topic (Air, water, waste/chemical, criminal enforcement, etc.) organized in a way to help you find information?

Please tell us how you would like to see the Enforcement information organized.

How frequently do you use the EPA website?

How did you get to the EPA website today?

Please specify what other source brought you to the EPA website today.

Did you visit the Green Vehicle Guide at epa.gov today?

How did you first hear about the Green Vehicle Guide?

What was your primary reason for visiting the Green Vehicle Guide?

Did you visit any of the following sections in the Green Vehicle Guide today? (Select all that apply)

Were you able to find the information you needed today at the Green Vehicle Guide?

Please tell us what information you were looking for.

Was the information presented in a useful way?

Did the Green Vehicle Guide enhance your knowledge about vehicles, transportation, and emissions?

Please tell us how you would like to see the information presented.

Will your car buying choices, now or in the future, be informed by the information you read on the Green Vehicle Guide?

Will you share any of information you found on the Green Vehicle Guide today with others?

Please tell us why you will not be sharing any of the information you found on the Green Vehicle Guide today with others.

Why did you visit the EPA website today? (Please check all that apply)

Please tell us why you visited the EPA website today:

What did you come to learn about or research? (Please check all that apply)

What kind of information were you looking for today? (Please check all that apply)

Please tell us what information were you looking for today that you did not find?

Please describe what information you came to submit  
(Please check all that apply)

Which of the following topics best describes the information you wanted today?

Is the EPA site your primary resource for obtaining lead information?

Please tell us your primary source for obtaining lead information.

Is the lead information presented in a format that you can use?

Please tell us in what format you would like to see the lead information presented.

What other topic best describes the reason for your visit?

What led you to visit EPA.gov to find radiation information?

Please specify what else led you to visit EPA.gov to find radiation topics.

Which of the following radiation information topics did you view during your site visit today? (Please check all that apply)

Please specify the radiation information that you viewed during your site visit today.

How would you describe the radiation information on EPA.gov?

Please describe what was unclear about the radiation information you viewed during your site visit today.

After visiting the site, do you have a better idea of EPA's role in radiation protection?

After visiting the site, do you know who to contact to get more information or to report an incident?

Did you visit the EPA.gov site to report a possible environmental violation?

Did you access the Environmental Violation Report form?

Were you able to submit the form?

What prevented you from submitting the Environmental Violation Form?

Why did you not submit the Environmental Violation Form?

Did you find the information you were looking for today?

Please tell us what couldn't you find.

Once you arrived on the site today, how did you look for information? (Please check all that apply)

The other way I looked for information was:

Which of the following best describes your experience with the search tools? (Please check all that apply)

Please describe your experience with the search tool:

What search terms did you use?

Which of the following best describes your navigation experience during your visit to the site today? (Please check all that apply)

Excluding search, please describe the difficulty you had with navigating the site today:

Did you interact with any of the following applications?

What other application did you interact with on the website today?

Please describe your experience with the application(s) you used during your visit today? Please provide as much detail as possible.

How often do you use the Envirofacts tool?

Why did you use the Envirofacts tool during your visit to EPA.gov today?

What is one change EPA could make to this site that would make it easier to use?

**Question Text**

For this visit to the EPA website, which of the following best describes you?

Please explain your role in visiting this website:

Which of the following best represents your role on the site today?

Is the Enforcement information broken out by specific topic (Air, water, waste/chemical, criminal enforcement, etc.) organized in a way to help you find information?

Please tell us how you would like to see the Enforcement information organized.

Did you visit the EPA.gov site to obtain criminal case, civil or cleanup case information?

What specific criminal case, civil or cleanup case information were you looking for today?

What other civil, criminal, or cleanup information were you looking for today?

Did you visit the EPA.gov site for a policy or guidance concerning air, water, waste/chemical, cleanup or criminal enforcement issues?

Did you find what you were looking for today?

How frequently do you use the EPA website?

How did you get to the EPA website today?

Please specify what other source brought you to the EPA website today.

Did you visit the Green Vehicle Guide at epa.gov today?

How did you first hear about the Green Vehicle Guide?

What was your primary reason for visiting the Green Vehicle Guide?

Did you visit any of the following sections in the Green Vehicle Guide today? (Select all that apply)

Were you able to find the information you needed today at the Green Vehicle Guide?

Please tell us what information you were looking for.

Was the information presented in a useful way?

Did the Green Vehicle Guide enhance your knowledge about vehicles, transportation, and emissions?

Please tell us how you would like to see the information presented.

Will your car buying choices, now or in the future, be informed by the information you read on the Green Vehicle Guide?

Will you share any of information you found on the Green Vehicle Guide today with others?

Please tell us why you will not be sharing any of the information you found on the Green Vehicle Guide today with others.

Why did you visit the EPA website today? (Please check all that apply)

Please tell us why you visited the EPA website today:

What did you come to learn about or research? (Please check all that apply)

What kind of information were you looking for today?  
(Please check all that apply)

Please tell us what information were you looking for today  
that you did not find?

Please describe what information you came to submit  
(Please check all that apply)

Which of the following topics best describes the information  
you wanted today?

Is the EPA site your primary resource for obtaining lead information?

Please tell us your primary source for obtaining lead information.

Is the lead information presented in a format that you can use?

Please tell us in what format you would like to see the lead information presented.

What other topic best describes the reason for your visit?

What led you to visit EPA.gov to find radiation information?

Please specify what else led you to visit EPA.gov to find radiation topics.

Which of the following radiation information topics did you view during your site visit today? (Please check all that apply)

Please specify the radiation information that you viewed during your site visit today.

How would you describe the radiation information on EPA.gov?

Please describe what was unclear about the radiation information you viewed during your site visit today.

After visiting the site, do you have a better idea of EPA's role in radiation protection?

After visiting the site, do you know who to contact to get more information or to report an incident?

Did you visit the EPA.gov site to report a possible environmental violation?

Did you access the Environmental Violation Report form?

Were you able to submit the form?

What prevented you from submitting the Environmental Violation Form?

Why did you not submit the Environmental Violation Form?

Did you find the information you were looking for today?

Please tell us what couldn't you find.

Once you arrived on the site today, how did you look for information? (Please check all that apply)

The other way I looked for information was:

Which of the following best describes your experience with the search tools? (Please check all that apply)

Please describe your experience with the search tool:

What search terms did you use?

Which of the following best describes your navigation experience during your visit to the site today? (Please check all that apply)

Excluding search, please describe the difficulty you had with navigating the site today:

Did you interact with any of the following applications?

What other application did you interact with on the website today?

Please describe your experience with the application(s) you used during your visit today? Please provide as much detail as possible.

How often do you use the Envirofacts tool?

Why did you use the Envirofacts tool during your visit to EPA.gov today?

What is one change EPA could make to this site that would make it easier to use?

**Question Text**

For this visit to the EPA website, which of the following best describes you?

Please explain your role in visiting this website:

Which of the following best represents your role on the site today?

Is the Enforcement information broken out by specific topic (Air, water, waste/chemical, criminal enforcement, etc.) organized in a way to help you find information?

Please tell us how you would like to see the Enforcement information organized.

Did you visit the EPA.gov site to obtain criminal case, civil or cleanup case information?

What specific criminal case, civil or cleanup case information were you looking for today?

What other civil, criminal, or cleanup information were you looking for today?

Did you visit the EPA.gov site for a policy or guidance concerning air, water, waste/chemical, cleanup or criminal enforcement issues?

Did you find what you were looking for today?

How frequently do you use the EPA website?

How did you get to the EPA website today?

Please specify what other source brought you to the EPA website today.

Why did you visit the EPA website today? (Please check all that apply)

Please tell us why you visited the EPA website today:

What did you come to learn about or research? (Please check all that apply)

What kind of information were you looking for today?  
(Please check all that apply)

Please tell us what information were you looking for today  
that you did not find?

Please describe what information you came to submit  
(Please check all that apply)

Which of the following topics best describes the information  
you wanted today?

Is the EPA site your primary resource for obtaining lead information?

Please tell us your primary source for obtaining lead information.

Is the lead information presented in a format that you can use?

Please tell us in what format you would like to see the lead information presented.

What other topic best describes the reason for your visit?

What led you to visit EPA.gov to find radiation information?

Please specify what else led you to visit EPA.gov to find radiation topics.

Which of the following radiation information topics did you view during your site visit today? (Please check all that apply)

Please specify the radiation information that you viewed during your site visit today.

How would you describe the radiation information on EPA.gov?

Please describe what was unclear about the radiation information you viewed during your site visit today.

After visiting the site, do you have a better idea of EPA's role in radiation protection?

After visiting the site, do you know who to contact to get more information or to report an incident?

Did you visit the EPA.gov site to report a possible environmental violation?

Did you access the Environmental Violation Report form?

Were you able to submit the form?

What prevented you from submitting the Environmental Violation Form?

Why did you not submit the Environmental Violation Form?

Did you find the information you were looking for today?

Please tell us what couldn't you find.

Once you arrived on the site today, how did you look for information? (Please check all that apply)

The other way I looked for information was:

Which of the following best describes your experience with the search tools? (Please check all that apply)

Please describe your experience with the search tool:

What search terms did you use?

Which of the following best describes your navigation experience during your visit to the site today? (Please check all that apply)

Excluding search, please describe the difficulty you had with navigating the site today:

Did you interact with any of the following applications?

What other application did you interact with on the website today?

Please describe your experience with the application(s) you used during your visit today? Please provide as much detail as possible.

How often do you use the Envirofacts tool?

Why did you use the Envirofacts tool during your visit to EPA.gov today?

What is one change EPA could make to this site that would make it easier to use?

**Question Text**

For this visit to the EPA website, which of the following best describes you?

Please explain your role in visiting this website:

Which of the following best represents your role on the site today?

Did you visit the EPA.gov site to report a possible environmental violation?

Did you access the Environmental Violation Report form?

Were you able to submit the form?

What prevented you from submitting the Environmental Violation Form?

Why did you not submit the Environmental Violation Form?

Is the Enforcement information broken out by specific topic (Air, water, waste/chemical, criminal enforcement, etc.) organized in a way to help you find information?

Please tell us how you would like to see the Enforcement information organized.

Did you visit the EPA.gov site to obtain criminal case, civil or cleanup case information?

What specific criminal case, civil or cleanup case information were you looking for today?

What other civil, criminal, or cleanup information were you looking for today?

Did you visit the EPA.gov site for a policy or guidance concerning air, water, waste/chemical, cleanup or criminal enforcement issues?

Did you find what you were looking for today?

How frequently do you use the EPA website?

How did you get to the EPA website today?

Please specify what other source brought you to the EPA website today.

Why did you visit the EPA website today? (Please check all that apply)

Please tell us why you visited the EPA website today:

What did you come to learn about or research? (Please check all that apply)

What kind of information were you looking for today? (Please check all that apply)

Please tell us what information were you looking for today that you did not find?

Please describe what information you came to submit (Please check all that apply)

Which of the following topics best describes the information you wanted today?

Is the EPA site your primary resource for obtaining lead information?

Please tell us your primary source for obtaining lead information.

Is the lead information presented in a format that you can use?

Please tell us in what format you would like to see the lead information presented.

What other topic best describes the reason for your visit?

What led you to visit EPA.gov to find radiation information?

Please specify what else led you to visit EPA.gov to find radiation topics.

Which of the following radiation information topics did you view during your site visit today? (Please check all that apply)

Please specify the radiation information that you viewed during your site visit today.

How would you describe the radiation information on EPA.gov?

Please describe what was unclear about the radiation information you viewed during your site visit today.

After visiting the site, do you have a better idea of EPA's role in radiation protection?

After visiting the site, do you know who to contact to get more information or to report an incident?

Did you find the information you were looking for today?

Please tell us what couldn't you find.

Once you arrived on the site today, how did you look for information? (Please check all that apply)

The other way I looked for information was:

Which of the following best describes your experience with the search tools? (Please check all that apply)

Please describe your experience with the search tool:

What search terms did you use?

Which of the following best describes your navigation experience during your visit to the site today? (Please check all that apply)

Excluding search, please describe the difficulty you had with navigating the site today:

Did you interact with any of the following applications?

What other application did you interact with on the website today?

Please describe your experience with the application(s) you used during your visit today? Please provide as much detail as possible.

How often do you use the Envirofacts tool?

Why did you use the Envirofacts tool during your visit to EPA.gov today?

What is one change EPA could make to this site that would make it easier to use?

**Question Text**

For this visit to the EPA website, which of the following best describes you?

Please explain your role in visiting this website:

How frequently do you use the EPA website?

How did you get to the EPA website today?

Please specify what other source brought you to the EPA website today.

Why did you visit the EPA website today? (Please check all that apply)

Please tell us why you visited the EPA website today:

What did you come to learn about or research? (Please check all that apply)

[Empty orange box]

What kind of information were you looking for today?  
(Please check all that apply)

Please tell us what information were you looking for today that you did not find?

Please describe what information you came to submit  
(Please check all that apply)

Which of the following topics best describes the information you wanted today?

Is the EPA site your primary resource for obtaining lead information?

Please tell us your primary source for obtaining lead information.

Is the lead information presented in a format that you can use?

Please tell us in what format you would like to see the lead information presented.

What other topic best describes the reason for your visit?

What led you to visit EPA.gov to find radiation information?

Please specify what else led you to visit EPA.gov to find radiation topics.

Which of the following radiation information topics did you view during your site visit today? (Please check all that apply)

Please specify the radiation information that you viewed during your site visit today.

How would you describe the radiation information on EPA.gov?

Please describe what was unclear about the radiation information you viewed during your site visit today.

After visiting the site, do you have a better idea of EPA's role in radiation protection?

After visiting the site, do you know who to contact to get more information or to report an incident?

Did you find the information you were looking for today?

Please tell us what couldn't you find.

Once you arrived on the site today, how did you look for information? (Please check all that apply)

The other way I looked for information was:

Which of the following best describes your experience with the search tools? (Please check all that apply)

Please describe your experience with the search tool:

What search terms did you use?

Which of the following best describes your navigation experience during your visit to the site today? (Please check all that apply)

Excluding search, please describe the difficulty you had with navigating the site today:

Did you interact with any of the following applications?

What other application did you interact with on the website today?

Please describe your experience with the application(s) you used during your visit today? Please provide as much detail as possible.

How often do you use the Envirofacts tool?

Why did you use the Envirofacts tool during your visit to EPA.gov today?

What is one change EPA could make to this site that would make it easier to use?

| Answer Choices<br>(limited to 50 characters)          | Skip to  | Required<br>Y/N |

**Question Text**

For this visit to the EPA website, which of the following best describes you?

Please explain your role in visiting this website:

How frequently do you use the EPA website?

How did you get to the EPA website today?

Please specify what other source brought you to the EPA website today.

Why did you visit the EPA website today? (Please check all that apply)

Please tell us why you visited the EPA website today:

What did you come to learn about or research? (Please check all that apply)

[Empty orange box]

What kind of information were you looking for today?  
(Please check all that apply)

Please tell us what information were you looking for today that you did not find?

Please describe what information you came to submit  
(Please check all that apply)

Which of the following topics best describes the information you wanted today?

What other topic best describes the reason for your visit?

What led you to visit EPA.gov to find radiation information?

Please specify what else led you to visit EPA.gov to find radiation topics.

Which of the following radiation information topics did you view during your site visit today? (Please check all that apply)

Please specify the radiation information that you viewed during your site visit today.

How would you describe the radiation information on EPA.gov?

Please describe what was unclear about the radiation information you viewed during your site visit today.

After visiting the site, do you have a better idea of EPA's role in radiation protection?

After visiting the site, do you know who to contact to get more information or to report an incident?

Did you find the information you were looking for today?

Please tell us what couldn't you find.

Once you arrived on the site today, how did you look for information? (Please check all that apply)

The other way I looked for information was:

Which of the following best describes your experience with the search tools? (Please check all that apply)

Please describe your experience with the search tool:

What search terms did you use?

Which of the following best describes your navigation experience during your visit to the site today? (Please check all that apply)

Excluding search, please describe the difficulty you had with navigating the site today:

Did you interact with any of the following applications?

What other application did you interact with on the website today?

Please describe your experience with the application(s) you used during your visit today? Please provide as much detail as possible.

How often do you use the Envirofacts tool?

Why did you use the Envirofacts tool during your visit to EPA.gov today?

What is one change EPA could make to this site that would make it easier to use?

**Question Text**

For this visit to the EPA website, which of the following best describes you?

Please explain your role in visiting this website:

How frequently do you use the EPA website?

How did you get to the EPA website today?

Please specify what other source brought you to the EPA website today.

Why did you visit the EPA website today? (Please check all that apply)

Please tell us why you visited the EPA website today:

What did you come to learn about or research? (Please check all that apply)

[Empty orange box]

What kind of information were you looking for today?  
(Please check all that apply)

Please tell us what information were you looking for today that you did not find?

Please describe what information you came to submit  
(Please check all that apply)

Which of the following topics best describes the information you wanted today?

What other topic best describes the reason for your visit?

What led you to visit EPA.gov to find radiation information?

Please specify what else led you to visit EPA.gov to find radiation topics.

Which of the following radiation information topics did you view during your site visit today? (Please select all that apply)

Please specify the radiation information that you viewed during your site visit today.

How would you describe the radiation information on EPA.gov?

Please describe what was unclear about the radiation information you viewed during your site visit today.

After visiting the site, do you have a better idea of EPA's role in radiation protection?

After visiting the site, do you know who to contact to get more information or to report an incident?

Did you find the information you were looking for today?

Please tell us what couldn't you find.

Once you arrived on the site today, how did you look for information? (Please check all that apply)

The other way I looked for information was:

Which of the following best describes your experience with the search tools? (Please check all that apply)

Please describe your experience with the search tool:

What search terms did you use?

Which of the following best describes your navigation experience during your visit to the site today? (Please check all that apply)

Excluding search, please describe the difficulty you had with navigating the site today:

Did you interact with any of the following applications?

What other application did you interact with on the website today?

Please describe your experience with the application(s) you used during your visit today? Please provide as much detail as possible.

How often do you use the Envirofacts tool?

Why did you use the Envirofacts tool during your visit to EPA.gov today?

What is one change EPA could make to this site that would make it easier to use?

**Question Text**

For this visit to the EPA website, which of the following best describes you?

Please explain your role in visiting this website:

How frequently do you use the EPA website?

How did you get to the EPA website today?

Please specify what other source brought you to the EPA website today.

Why did you visit the EPA website today? (Please check all that apply)

Please tell us why you visited the EPA website today:

What did you come to learn about or research? (Please check all that apply)

What kind of information were you looking for today?  
(Please check all that apply)

Please tell us what information were you looking for today that you did not find?

Please describe what information you came to submit  
(Please check all that apply)

Which of the following topics best describes the information you wanted today?

What other topic best describes the reason for your visit?

Did you find the information you were looking for today?

Please tell us what couldn't you find.

Once you arrived on the site today, how did you look for information? (Please select all that apply)

The other way I looked for information was:

Which of the following best describes your experience with the search tools? (Please select all that apply)

Please describe your experience with the search tool:

What search terms did you use?

Which of the following best describes your navigation experience during your visit to the site today? (Please select all that apply)

Excluding search, please describe the difficulty you had with navigating the site today:

Did you interact with any of the following applications?

What other application did you interact with on the website today?

Please describe your experience with the application(s) you used during your visit today? Please provide as much detail as possible.

How often do you use the Envirofacts tool?

Why did you use the Envirofacts tool during your visit to EPA.gov today?

What is one change EPA could make to this site that would make it easier to use?

| Answer Choices<br>(limited to 50 characters)          | Skip to  | Required<br>Y/N |
