Dear Employer,

The U.S. Bureau of Labor Statistics (BLS) and the [STATE] Department of Labor & Workforce Development request that you provide your company's employment and wages each quarter using the BLS 3020 Multiple Worksite Report (MWR) for businesses with more than one location in [STATE].

Your primary location is the location with the most employees in [STATE]. If your business has 10 or more employees working at secondary locations in [STATE], you should complete an MWR. Individual teleworkers should not be considered locations.

If your business has only one location in [STATE], you can disregard this notice.

When you log into the system and select your account, you will only see one location. Select "add an additional worksite" to add all additional locations in [STATE].

This survey is authorized by 29 U.S. Code, Section 2. It is approved by O.M.B. No. 12200134.

Sincerely,

Emily Thomas
