For more about privacy and submissions to OIRA in response to this document, see the <https://www.reginfo.gov>, comment-submission web page. OIRA posts its decisions on ICRs online at <https://www.reginfo.gov/public/do/PRAMain> after the comment period for each ICR. An OMB Notice of Action on each ICR will become available via a hyperlink in the OMB Control Number: 1625-0068.

Previous Request for Comments

This request provides a 30-day comment period required by OIRA. The Coast Guard published the 60-day notice (87 FR 2445, January 14, 2022) required by 44 U.S.C. 3506(c)(2). That notice elicited no comments. Accordingly, no changes have been made to the Collection.

Information Collection Request

Title: State Access to the Oil Spill Liability Trust Fund for Removal Costs under the Oil Pollution Act of 1990.

OMB Control Number: 1625-0068.

Summary: This information collection is the mechanism for a Governor, or their designated representative, of a state to make a request for payment from the Oil Spill Liability Trust Fund (OSLTF) in an amount not to exceed \$250,000 for removal cost consistent with the National Contingency Plan required for the immediate removal of a discharge, or the mitigation or prevention of a substantial threat of discharge, of oil.

Need: This information collection is required by, 33 CFR part 133, for implementing 33 U.S.C. 2712(d)(1) of the Oil Pollution Act of 1990 (OPA 90). The information provided by the State to the National Pollution Fund Center (NPFC) is used to determine whether expenditures submitted by the state to the OSLTF are compensable, and, where compensable, to ensure the correct amount of reimbursement is made by the OSLTF to the state. If the information is not collected, the Coast Guard and the National Pollution Funds Center will be unable to justify the resulting expenditures, and thus be unable to recover costs from the parties responsible for the spill when they can be identified.

Forms: None.

Respondents: Governor of a state or their designated representative.

Frequency: On occasion.

Hour Burden Estimate: The estimated burden of 3 hours a year remains unchanged.

Authority: The Paperwork Reduction Act of 1995; 44 U.S.C. *et seq.*, chapter 35, as amended.

Dated: April 5, 2022.

Kathleen Claffie,

Chief, Office of Privacy Management, U.S. Coast Guard.

DEPARTMENT OF HOMELAND SECURITY

Transportation Security Administration

Extension of Agency Information Collection Activity Under OMB Review: TSA End of Course Level 1 Evaluation—Instructor-Led Classroom Training

AGENCY: Transportation Security Administration, DHS.

ACTION: 30-Day notice.

SUMMARY: This notice announces that the Transportation Security Administration (TSA) has forwarded the Information Collection Request (ICR), Office of Management and Budget (OMB) control number 1652-0041, abstracted below to OMB for review and approval of an extension of the currently approved collection under the Paperwork Reduction Act (PRA). The ICR describes the nature of the information collection and its expected burden. The collection involves the submission of ratings and written comments about the quality of training instruction from TSA students who successfully complete TSA instructor-led classroom training. TSA students include TSA personnel, as well as State and local civilian personnel, who attend any of the following courses at the Canine Training Center (CTC): Explosives Detection Canine Handler Course, Passenger Screening Canine Handler Course, Bridge Course, Canine Training Instructor Course, and the Security Operations (SO) Canine Management Course.

DATES: Send your comments by May 20, 2022. A comment to OMB is most effective if OMB receives it within 30 days of publication.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting “Currently under Review—Open for Public Comments” and by using the find function.

FOR FURTHER INFORMATION CONTACT: Christina A. Walsh, TSA PRA Officer,

Information Technology (IT), TSA-11, Transportation Security Administration, 6595 Springfield Center Drive, Springfield, VA 20598-6011; telephone (571) 227-2062; email TSAPRA@tsa.dhs.gov.

SUPPLEMENTARY INFORMATION: TSA published a **Federal Register** notice, with a 60-day comment period soliciting comments, of the following collection of information on November 15, 2021, 86 FR 63049.

Comments Invited

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The ICR documentation will be available at <http://www.reginfo.gov> upon its submission to OMB. Therefore, in preparation for OMB review and approval of the following information collection, TSA is soliciting comments to—

(1) Evaluate whether the proposed information requirement is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agency's estimate of the burden;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including using appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

Information Collection Requirement

Title: TSA End of Course Level 1 Evaluation—Instructor-Led Classroom Training.

Type of Request: Extension of a currently approved collection.

OMB Control Number: 1652-0041.

Form(s): TSA Form 1904A.

Affected Public: Canine Handlers.

Abstract: TSA's CTC delivers the Explosives Detection Canine Handler Course, Passenger Screening Canine Handler Course, Bridge Course, Canine Training Instructor Course, and the SO Canine Management Course to TSA personnel, as well as to State and local civilian personnel. State and local civilian personnel, primarily consisting of law enforcement agencies that are responsible for the security at airports throughout the United States, participate under agency-specific cooperative agreements with TSA's

National Explosives Detection Canine Team Program. This information collection captures ratings and written comments and feedback from students about the quality of the referenced training.

The CTC collects the evaluation data to determine students' satisfaction with their learning experience and provides it to representatives at both TSA headquarters and at CTC (e.g., to the Branch Manager, Deputy Branch Manager, and CTC instructional staff and supervisors) to improve the course curriculum and course of instruction.

Number of Respondents: 156.

Estimated Annual Burden Hours: An estimated 78 hours annually.

Dated: April 14, 2022.

Christina A. Walsh,

*TSA Paperwork Reduction Act Officer,
Information Technology.*

SUPPLEMENTARY INFORMATION:

Comments

The information collection notice was previously published in the **Federal Register** on November 30, 2021, at 86 FR 67965, allowing for a 60-day public comment period. USCIS received eight comments in connection with the 60-day notice.

You may access the information collection instrument with instructions, or additional information by visiting the Federal eRulemaking Portal site at: <http://www.regulations.gov> and enter USCIS-2006-0013 in the search box. The comments submitted to USCIS via this method are visible to the Office of Management and Budget and comply with the requirements of 5 CFR 1320.12(c). All submissions will be posted, without change, to the Federal eRulemaking Portal at <http://www.regulations.gov>, and will include any personal information you provide. Therefore, submitting this information makes it public. You may wish to consider limiting the amount of personal information that you provide in any voluntary submission you make to DHS. DHS may withhold information provided in comments from public viewing that it determines may impact the privacy of an individual or is offensive. For additional information, please read the Privacy Act notice that is available via the link in the footer of <http://www.regulations.gov>.

Written comments and suggestions from the public and affected agencies should address one or more of the following four points:

(1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of This Information Collection

(1) *Type of Information Collection:* Extension, Without Change, of a Currently Approved Collection.

(2) *Title of the Form/Collection:* Genealogy Index Search Request and Genealogy Records Request.

(3) *Agency form number, if any, and the applicable component of the DHS sponsoring the collection:* G-1041 and G-1041A; USCIS.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract: Primary:* Individuals or households. The Genealogy Program is necessary to provide a timelier response to requests for genealogical and historical records. Form G-1041 is provided as a convenient means for persons to provide data necessary to perform a search of historical agency indices. Form G-1041A provides a convenient means for persons to identify a particular record desired under the Genealogy Program. The forms provide rapid identification of such requests and ensures expeditious handling. Persons such as researchers, historians, and social scientists seeking ancestry information for genealogical, family history and heir location purposes will use Forms G-1041 and G-1041A.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* The estimated total number of respondents for the information collection G-1041 is 3,847 and the estimated hour burden per response is 0.5 hour. The estimated total number of respondents for the information collection G-1041A is 2,920 and the estimated hour burden per response is 0.5 hour.

(6) *An estimate of the total public burden (in hours) associated with the collection:* The total estimated annual hour burden associated with this collection is 3,384 hours.
