Public reporting burden for this collection of information is estimated to average 60 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information, and you are not required to complete this form, unless it displays a currently valid OMB control number.

The National Housing Act (12 USC 1701 et. seq.) and implementing regulations at 24 CFR parts 200 – 266 authorize HUD/FHA to administer the multifamily mortgage insurance programs. The specific authority to require a mortgage insurance application is found at 24 CFR 200.45(b): “[a]n application for a firm commitment must be made by an approved mortgagee for any project for which a mortgagor seeks mortgage insurance under the Act.” The *FHA Catalyst*: Multifamily Application Portal will be used for FHA multifamily lenders to submit applications and related documents for FHA multifamily mortgage insurance to HUD electronically. This information will enable HUD staff to review applications for FHA multifamily mortgage insurance. All information provided is voluntary.

7. Dashboard page (post-upload):

The screenshot shows the FHA CATALYST dashboard. At the top left is the logo "FHA CATALYST". A green notification banner at the top center reads "MFH Application successfully created." with a checkmark icon. On the top right is a user profile icon. Below the notification is a dark blue horizontal bar. Underneath is a button labeled "Create MFH Application".

The main section is titled "All My MFH Applications" with a dropdown arrow and a refresh icon. Below the title, it says "1 item • Sorted by ID • Filtered by my case binders - Record Type • Updated a few seconds ago". To the right is a search bar "Search this list..." and icons for settings and refresh.
