

SBA SETTLEMENT SHEET FORM 1050

OMB Control No: 3245-0200 Expiration Date: xx/xx/xxxx

<u>Purpose</u>: The purpose of this form is to document and verify that loan proceeds have been disbursed in accordance with the Authorization and to document that the Borrower's contribution has been injected into the business prior to the Lender disbursing any loan proceeds.

Requirement: Lenders must use this form for the first disbursements on all standard 7(a) loans.

This form is to be completed by the Lender and signed by the Lender and the Borrower at the time of the initial loan disbursement. If there are subsequent disbursements, Lender must document each disbursement and attach the documentation to the original SBA Form 1050 (a new SBA Form 1050 is not required for each subsequent disbursement). The Lender must retain a copy of the signed form in its loan file. For all disbursements, the Lender must also retain documentation that is acceptable to SBA (such as joint payee checks, cancelled checks, paid receipts or invoices, wire transfer account records, etc.) and evidence of compliance with the Use of Proceeds section of the Authorization.

The Lender must submit the completed form and all supporting documentation to SBA upon request, or, in the event of a loan default, with the Lender's request for guaranty purchase. Providing this information is required to comply with Loan Program Requirements (as defined in 13 CFR 120.10); failure to provide it when required may impair the Lender's ability to collect on the SBA loan guaranty.

If additional space is required to complete the form or provide additional details, please attach a separate sheet.

Instructions for Completing the Form:

- 1) In the first section, fill in all identifying information. For "Loan Type," check the box to indicate whether the loan is a term loan or line of credit. For "Disbursement Type" check the box to indicate whether the disbursement is "initial disbursement", "number of disbursements", or "full disbursement". Complete the "Use of Proceeds" section with information related to the initial disbursement.
 - a) On the line associated with each applicable use of proceeds, indicate:
 - i) The name of the payee (must identify the ultimate recipient, not an intermediary such as a title company);
 - ii) Amount disbursed; and
 - iii) Remaining amount to be disbursed, in accordance with the Authorization.
 - b) For the "Settlement charges/out of pocket costs" line, insert total amount of settlement charges and other out of pocket costs in the appropriate field within the grid. Attach an itemized list of all charges and costs, including the name of payee and amount paid for each charge or cost. (Reminder: SBA Form 159 is required for all fees paid or to be paid by the Lender (except Lender Service Provider fees) and for all fees paid or to be paid by the Applicant to any agent in connection with the SBA loan application.)
 - c) For "Other (Explain)," enter any other use of proceeds authorized in the Authorization that is not already listed in the grid, if applicable.
- 2) Complete the "Borrower's Injection" section.
 - a) For each type of injection, indicate the source.
 - b) If the Seller contributed toward required equity, attach a copy of the Note and evidence of full standby for the life of the loan.
 - C) Note: The Borrower's Injection must be in the business bank account prior to any disbursements of loan proceeds.
- 3) The Lender and the Borrower must review the certifications and execute the form in the space provided.
