## **ADDENDUM TO THE PROVIDER AGREEMENT TO ELECTRONICALLY FILE AND MAINTAIN RICE WAREHOUSE RECEIPTS**

(Provider) and the Agricultural Marketing Service (AMS) authorizes the Provider to establish and maintain a database and system, referred to as a central filing system (CFS) for the purpose of electronically filing rice electronic warehouse receipts issued under the United States Warehouse Act (USWA) and permits the Provider to accept the filing of electronic warehouse receipts from other than USWA licensed warehouse operators in such electronic data filing system. Rice is defined as all products commonly classed as rough or milled rice and such other rice products as are ordinarily stored in rice warehouses, subject to the disapproval of the AMS.

Notwithstanding any Federal law or Department of Agriculture (USDA) data security restrictions, nothing contained herein should be interpreted or construed by a Provider so as to deny cooperation with a State licensing authority with respect to access to examination or investigation data stored in a CFS by a State licensed warehouse.

The Provider shall not warrant nor guarantee any part of the underlining transaction or activity that involves the use of the Provider's CFS to perfect or consummate such a transaction or activity. The underlining transaction or activity shall be administered and governed by the applicable Federal or State rule of law.
