

2023 NYCHVS Reinterview Questions

Reinterview is used to verify that an interview occurred. After the case has been completed (whether occupied or vacant), an interviewer will call the respondent and ask this short series of questions to verify that an interview was conducted. Additionally, some cases may be flagged to receive additional probing to determine if falsification may have occurred.

- 1. Did an interviewer contact you or someone in your household on or about [fill original interview information]?**
- 2. *if Q1=Yes:* Did the interviewer conduct the interview in person or over the telephone?**
- 3. *if Q2=Telephone only and survey requires Personal Visits:* Did you request the telephone interview?**
- 4. Was the interviewer polite and professional?**
- 5. About how long did the interview last?**
- 6. Did the interviewer use a laptop computer?**
