Question Text/FR Instructions

Answer Text/FR Instructions

I'm going to begin by asking some basic questions about where you live.

1. Apartment
2. House

Should I refer to the place you live as an apartment or a house for the rest of this interview?

Interviewer Note: If respondent requests the term "house," but seems to live in a building with other units, clarify with the respondent that questions will only refer to their unit.

How many bedrooms are in your [apartment/ house]?

Enter number of bedrooms_____
