Finally, there are six questions about your household in general.

31. Do you have any individuals with special electricity-dependent medical needs in your house?

o Yes ONo

(Examples include individuals who require power wheelchairs, ventilators, oxygen concentrators, CPAP and other sleep apnea devices.)

32. When considering all members in your household, what is the highest level of schooling completed?

- Less than high school Associate's degree
- O Master's degree or higher
- High school diploma Bachelor's degree

33. While we often ask about each member of a household, in general, when considering your household, how would you describe its ethnicity? You may skip this question.

- Hispanic or Latino
- Not Hispanic or Latino

34. While we often ask about each member of a household, in general, when considering your household, how would you characterize its racial makeup? (Select one or more) You may skip this question.

- American Indian or Native American
- Asian
- O Black or African American

- Native Hawaiian or Pacific Islander
- White or Caucasian

35. Do you consider your household a female-headed household? • Yes • No • Don't know This is when a household is maintained by a female with no spouse present.

36. Finally, we do not want to know the exact amount, but please mark the category that best captures your household's combined annual income:

\$1 to \$3,999
\$4,000 to \$5,999
\$6,000 to \$7,999
\$8,000 to \$9,999

\$10,000 to \$11,999\$12,000 to \$14,999

• \$15,000 to \$19,999

o \$20,000 to \$24,999

\$25,000 to \$29,999\$75,000 to \$99,999

\$30,000 to \$39,999\$100,000 to \$149,999

\$40,000 to \$49,999\$150,000 or higher

o \$50,000 to \$59,999

Thank you again for completing our survey!

This collection of information contains Paperwork Reduction Act (PRA) requirements approved by the Office of Management and Budget (OMB). Notwithstanding any other provisions of the law, no person is required to respond to, nor shall any person be subject to a penalty for failure to comply with, a collection of information subject to the requirements of the PRA unless that collection of information displays a currently valid OMB control number. For this collection, the OMB Control number is:0693-0078 with an expiration date: July 31, 2022. Public reporting burden for this collection is estimated to be 15 minutes per survey, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed and completing and reviewing the collection of information. Send comments regarding this burden estimate or any aspect of this collection of information, including suggestions for reducing this burden, to the National Institute of Standards and Technology, Attn: Dr. Jennifer Helgeson, NIST, 100 Bureau Drive, MS 8603, Gaithersburg, MD 20899-1710, telephone 240-672-2575, or via email: jennifer.helgeson@nist.gov
