Privacy Act Statement

AUTHORITY:

The E-Government Act of 2002 (Pub. L. No. 107-347); the Federal Information Security Modernization Act of 2014 (Pub. L. No. 113-283) (44 U.S.C. 3551-3559); 10 U.S.C. 113, Secretary of Defense; 50 U.S.C. 3038, Responsibilities of Secretary of Defense Pertaining to National Intelligence Program; E.O. 12933, United States Intelligence Activities, as amended; E.O. 13402, Strengthening Federal Efforts to Protect Against Identity Theft, as amended; E.O. 13526, Classified National Security Information; White House Memorandum dated September 20, 2006, Subject: Recommendations for Identity Theft Related Data Breach Notification; and E.O. 9397 (SSN), as amended.

PURPOSE:

To provide breach notification and facilitate the provision of breach mitigation services to individuals impacted by the breach of information from the Office of Personnel Management (OPM) personnel records incident and background investigation records incident. DoD will also use the data to respond to breach verification inquiries received from individuals using the link on OPM's Cybersecurity Resource Center website that redirects individuals to a DoD website where they can enter their information to find out if they have been impacted by the cyber incidents. These records may also be used for tracking, reporting, measuring, and improving the Department's effectiveness in implementing this data breach notification.

ROUTINE USE:

In addition to disclosures generally permitted under 5 U.S.C. 552a(b) of the Privacy Act of 1974, as amended, these records may specifically be disclosed outside the DoD as follows:

To commercial entities, under contract with DoD, for the sole purpose of verifying addresses of impacted individuals in order to provide notification to such individuals.

The DoD applicable Blanket Routine Use(s) are: Law Enforcement Routine Use, Disclosure of Information to the National Archives and Records Administration Routine Use, Disclosure to the Office of Personnel Management Routine Use, Counterintelligence Purpose Routine Use and Data Breach Remediation Purposes Routine Use. The applicable DoD Blanket Routine Uses can be found Online at: <http://dpcld.defense.gov/Privacy/SORNsIndex/BlanketRoutineUses.aspx>

DISCLOSURE:

Voluntary. However, failure to provide requested information may prevent or delay DoD's ability to provide breach notification and to facilitate the provision of mitigation services to individuals impacted by the breach of information from the OPM personnel records incident and background investigation records incident.

OMB Control Number:

0704-0545

Expiration Date:

xxxxxxxx

Agency Disclosure Notice

The public reporting burden for this collection of information, 0704-0545, is estimated to average 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or burden reduction suggestions to the Department of Defense, Washington Headquarters Services, at whs-mc-alex.esd.mbx.dd-dod-information-collections@mail.mil. Respondents should be aware that notwithstanding any other provision of law, no person shall be subject to any penalty for failing to comply with a collection of information if it does not display a currently valid OMB control number.

OPT IN:

I authorize the collection, use, maintenance, and dissemination of data that I have provided for the purposes of breach notification and to facilitate the provision of mitigation services regarding the breach of information from the OPM personnel records incident and background investigation records incident. I also authorize the collection, use, maintenance, and dissemination of information about me needed to notify me in writing at the address provided as to whether or not I am impacted by the breach.

I agree

The Federal Government has set up this site to assist individuals who are impacted, or believe they may have been impacted, by the theft of personnel records and background investigation records information from the Office of Personnel Management. Individuals who believe they may have been impacted and have not received a letter, or those who have lost their PIN code and would like a duplicate copy of their letter can submit their information using this site. Upon submission, the Federal Government will investigate the situation and provide a response via a letter within approximately 4 weeks through the U.S. Postal Service. More information is available at <https://www.opm.gov/cybersecurity>.

CONSENT:

I am lawfully submitting this information for the purpose of matching against records known to be impacted by the OPM cyber incidents. I understand that the government will do its best to match the information I have provided and that this may take up to four weeks to get an answer. I acknowledge that submitting more than one request in a six week period may delay an answer.
