National Survey of Physician Experiences with Ambrisentan

Thank you for agreeing to participate in this survey relating to your experiences prescribing ambrisentan. This research is being conducted by investigators at Brigham and Women's Hospital / Harvard Medical School and is sponsored by the US Food and Drug Administration (FDA). If you have NOT prescribed ambrisentan in the last year, **please email Sandra Applebaum, MS (sandra.applebaum@luminasllc.com) at Luminas, the survey administrator, and DO NOT proceed further.**

Your participation in the survey is voluntary, and you may withdraw at any time. Your responses will be aggregated with other responses and analyzed in a de-identified manner. The survey methods have been approved by the Institutional Review Board at Brigham and Women's Hospital and the FDA Research Involving Human Subjects Committee.

The survey should take approximately 20 minutes to complete. In addition to the \$20 enclosed in this packet, following completion, you will be asked for your email address and emailed a \$80 Amazon gift card as a token of appreciation. This survey is not connected in any way with a pharmaceutical manufacturer.

We appreciate your contribution to this important topic. Thank you in advance for your participation!

Instructions for Completing the Survey

- As a reminder, you can take the survey online if you prefer at the following link: [\[link\]](#).
