

Assessment of a Pharmacist-Led Transitions of Care Service Utilizing an Admissions Enhanced Patient Risk Evaluation Approach: the ICARE Program

OMB Control Number: 0910-0847

Expiration Date: 12/31/2022

Paperwork Reduction Act Statement: According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this voluntary information collection is 0910-0847. The burden time required to complete this portion of the information collection is estimated to average 5 minutes per response, including the time to review instructions, search existing data sources, gather and maintain the data needed and complete and review the collection of information.

Send comments regarding this burden estimate or any other aspects of this collection of information, including suggestions for reducing burden to PRASstaff@fda.hhs.gov. DO NOT SEND YOUR COMPLETED FORM TO THIS PRA STAFF EMAIL ADDRESS.

Pre-implementation Provider Perception and Demand Evaluation

The following survey is anonymous. Please select the most appropriate answer for each of the following items.
