	YES		1
	NO		2

HELP SCREEN:

Household: The entire group of persons who live in one dwelling unit. It may be several persons living together or one person living alone. It includes the household reference person and any of their relatives, as well as roomers, employees, and other non-related persons.

COQ.120 {Do you/Does SP} **currently** have a health condition that a doctor or other health professional told {you/him/her} weakens the immune system, making it easier for {you/him/her} to get sick?

YES	1
NO	2
REFUSED	7
DON'T KNOW	9

HELP SCREEN:

Doctor: The term refers to both doctors of medicine (M.D.s) and doctors of osteopathic medicine (D.O.s). It includes general practitioners as well as specialists. It does not include persons who do not have an M.D. or D.O. degree, but other doctoral degrees such as dentists, oral surgeons, chiropractors, podiatrists, Christian Science healers, opticians, optometrists, psychologists, etc.

Health Care Professionals (Health Professional): A person entitled by training and experience and possibly licensure to assist a doctor and who works with one or more medical doctors. Examples include: doctor's assistants, nurse practitioners, nurses, pharmacists, lab technicians, and technicians who administer shots (e.g., allergy shots). Also include paramedics, medics and physical therapists working with or in a doctor's office. Do <u>not</u> include: dentists, oral surgeons, chiropractors, chiropodists, podiatrists, naturopaths, Christian Science healers, opticians, optometrists, and psychologists or social workers.

In the past 12 months, {have you/has SP} taken prescription medication or had any medical treatments that a

COQ.130

doctor or other health professional told {you/him/her} would weaken {your/his/her} immune system?
YES
