The IDT did not consider all relevant information when rendering a service determination request decision	
All service delivery determination requests that were <u>denied or partially denied</u> during the audit review period. Please include denied and partially denied service determination requests only.	
The service determination request was not reviewed by the complete IDT: • All service determination requests processed during the audit review period that were not immediately	
approved by a member of the interdisciplinary team, in full, at the time the request was made.	

Instructions:

Scor

General: • The review timeframe is the audit review period. Errors noted prior to the audit review period should not be included.

 After completing the Impact Analysis, if any changes need to be made to the Root Cause Analysis, please update the RCA tab.

Oral and/or written service determination request denial notifications did not include the specific reasons for the denial in understandable language: • Review each service determination request denial and partial denial to determine if:

o Oral and written notification of the denial/partial denial were provided; and o Oral and written notification of the denial/partial denial included the specific reason(s) for the denial,

including why the service is not

necessary to maintain or improve the participant's overall health status, taking into account the participant's medical, physical, emotional, and social needs, and the results of the reassessment(s) in understandable language. and

Respond to the questions in the Participant Impact tab.

Oral and/or written service determination request denial notifications did not include appeal

information: • Review each service determination request denial to determine if oral and written notification of the denial included appeal rights and respond to the questions in the Participant Impact tab.

- Review each service determination request denial and partial denial to determine if:
 o Oral and written notification of the denial/partial denial were provided; and
- o Oral and written notification of the denial/partial denial included appeal rights. Respond to the questions in the Participant Impact tab.

The IDT did not consider all relevant information when rendering a service determination request decision.

Review each service determination request denial/partial denial to determine if: o The IDT considered all relevant information, including but not limited to,

the findings and results of any reassessments, o The participant's current medical, physical, emotional and social needs, and * Current clinical practice guidelines and professional standards of care, if applicable.

The service delivery request was not reviewed by the complete IDT:

Review each service determination request that was not approved by a member of the interdisciplinary

Impact Analysis Due Date:	

Brief Description Of Issue (Completed By The CMS Audit Lead) Detailed Description of the Issue (Explain what happened) Date Identified (MM/DD/YY) (Completed By The CMS Audit Lead)

Brief Description Of Issue (Completed By The CMS Audit Lead) Condition Language (Completed By The CMS Audit Lead) Root Cause Analysis for the Issue (Explain why it happened)

Methodology - Describe the process that was undertaken to determine the # of individuals (e.g. participants) impacted

# of Individuals Impacted	Action Taken to Resolve System/ Operational Issues	Date System/ Operational Remediation Initiated (MM/DD/YY)	Date System/ Operational Remediation Completed (MM/DD/YY)	Actions Taken to Resolve Negatively Impacted Individuals Including Outreach Description and Status
