THV CQICs Process Study Survey

Qualtrics Survey Introduction (Introductory email will include more specifics about who is leading the study, its purpose, and how information will be used)

As a member of the Continuous Quality Improvement Collaborative (CQIC) Team within your Tribal Home Visiting (THV) program, we invite you to complete this survey to provide feedback on your team's experience participating in the CQIC since the January 2021 re-launch. This survey will take up to 10 minutes to complete and all responses will remain private.

Your participation in the survey is voluntary. You may decline to answer any question you do not wish to answer. There are no risks involved in participating in the survey. While you will not receive any direct benefits from participating in this survey, your responses will be used to help us learn more about your experience participating in the CQIC.

Your survey responses will be stored in a password-protected electronic database. Only select study team members will be able to access survey data. Your name or any other personally identifying information will not appear in any report. Your responses to this survey will remain private to the extent permitted by law.

Please select your choice below. Clicking on the "Agree" button indicates that:

- You have read the above information
- You voluntarily agree to participate

Instructions:

- 1. While completing the survey, please reflect on the CQIC and think about specific ways in which your team applied what you learned from the experience.
- 2. Please take your time as you provide responses. Accurate and complete responses are critical. Your responses will help determine the outcomes of the CQIC and inform future collaboratives. By completing this survey, you ensure your input is included with responses of other respondents.

3. Please be objective in providing your responses. Your name will not be linked to your survey. Your responses will be consolidated with others. All survey responses will be kept with the Tribal Evaluation Institute (TEI) Study Team and only aggregated data will be shared.

Thank you for your time and valuable feedback.

START OF THE SURVEY

As a result of participating in the CQIC, please rate your team's capability in completing the following activities:

- Very capable (e.g., guidance is not needed to complete this task; able to teach peers)
- Capable (e.g., only occasional guidance is needed to complete this task)
- Somewhat capable (e.g., frequent guidance is needed to complete this task)
- Not capable (e.g., not able to complete this task even with guidance)
- Not sure/don't know (e.g., unable to speak to the team's experience in this area)
