### Consent Notice

The Office of Refugee Resettlement (ORR), U.S. Department of Health and Human Services, invites you to participate in a survey to identify recently arrived Afghans' needs and gaps in resettlement services. ORR will use collected data to inform program decisions to better serve the recently arrived Afghans.

This survey is voluntary and should take around 10 minutes to complete. The answers you give will be kept private and anonymous. Once you begin the survey, please do not close the webpage before you answer all the questions in the survey. Each answer will be submitted after you click "Next," and you will not be able to go back or change your answers.

By clicking "Agree and Next," you consent to participate in the survey.
