TITLE OF INFORMATION COLLECTION: Child Care and Development Fund (CCDF) ACF-696 Financial Report for States and Territories

PURPOSE:

The Information collected through the use of these forms is used to:

- a. Monitor how State and Territory CCDF grantees are spending their CCDF dollars in specified categories—including direct services, non-direct services, quality, and administration. This enables staff to identify areas where technical assistance is needed.
- b. Allows ACF to monitor grantee compliance with quality spending requirements, the administrative cost cap, and obligation and liquidation deadlines.
- c. Produce annual financial and statistical reports as may be required by Congress/other parties as well as respond to periodic detailed inquiries from Congress/other parties.

The authority to collect and report this information can be found in Section 658G(d) of the Child Care and Development Block Grant Act of 1990, as amended, and in Federal regulations at 45 CFR 98.65(g) and 98.67(c)(1) which authorize the Secretary to require financial reports as necessary.

The ACF-696 is currently approved under OMB Control Number 0970-0163 through February 29, 2020. Updates were made to the current form to: (1) include reporting on child care disaster relief funds made available by the Supplemental Appropriations for Disaster Relief Act of 2019 (P.L.116-20); (2) include reporting lines that reflect expenditures for quality and for infant and toddler quality activities as required by the 2016 CCDF final rule, and (3) delete reference to old targeted fund requirements that no longer exist. We are also making updates and revisions to the instructions necessary to accurately reflect current CCDF requirements.
