CIP Capacity Building Services Feedback Survey

INTRODUCTION AND PURPOSE

This survey seeks feedback from Court Improvement Programs to help assess the Capacity Building Center for Courts (CBCC) services, products, and capacity building assistance. **Your feedback is important** to ensure the Center best serves you and the community of CIPs. Results will be used to help the Center identify how best to use our resources and improve services to CIPs. **This survey is voluntary**, and there is no penalty for not participating. **The survey takes about 15 minutes** to complete. **Your answers will be kept private**. We ask you to identify your CIP's jurisdiction so that evaluators can combine data with other sources (e.g., administrative data on services provided) for analysis; but **only aggregate data will be reported**. **Please complete one survey on behalf of the CIP program**, consulting with key team members as needed to represent the general experience of your CIP. If you have questions, please contact Kristen Woodruff, CBCC Evaluator, at kristenwoodruff@westat.com.

If you proceed and respond to the survey, you are indicating your consent to participate in the evaluation. **Thank you for your participation!**
