

[Section 1] Introduction to Survey & Consent

The Administration for Children and Families (ACF) is seeking your feedback as a recipient of an **ACF discretionary grant**. The goal of this survey is to better understand your organization's experience as a grant recipient so that we can improve how we serve and support our grant recipients in the future.

Responses to this survey do not impact your organization's evaluation as a recipient or selection for future awards. **Your participation in this survey is completely voluntary, private and will have no bearing on future funding decisions.** However, we would greatly appreciate your participation since it will help us improve the services and support we provide grant recipients like you.

This survey is comprised of a series of short sections and **should take no more than 10 minutes to complete**. Please feel free to gather multiple perspectives from others in your organization when filling out this survey. If necessary, **you may pause or exit the survey and return to it later** to complete your answers.

Thank you in advance for taking the time to provide your feedback!
