

## Instrument 3. FCL Dissemination Pilot Survey

Through this information collection, ACF is gathering feedback on materials used for a dissemination pilot for the Fathers and Continuous Learning Project. Public reporting burden for this collection of information is estimated to average 10 minutes per respondent, including the time for reviewing instructions, gathering and maintaining the data needed, and reviewing the collection of information. This is a voluntary collection of information. The agency may not conduct or sponsor, and a person is not required to respond to, a collection of information subject to the requirements of the Paperwork Reduction Act of 1995, unless it displays a currently valid OMB control number. The OMB # is **0970-0401** and the expiration date is **06/30/2024**. If you have any comments on this collection of information, please contact Jill Spielfogel at [jspielfogel@mathematica-mpr.com](mailto:jspielfogel@mathematica-mpr.com).
