

ASPA COVID-19 PUBLIC EDUCATION CAMPAIGN

A campaign to increase vaccine acceptance and reinforce basic prevention measures

CET – Annotated Questionnaire (Wave 50)

Note: The questions below are the proposed questions for the fiftieth wave of the Weekly Current Events Tracker (CET). Questions highlighted in yellow will be asked every week; questions highlighted in blue will be rotated into the survey on a monthly basis; and questions highlighted in green are meant to be asked in Wave 50 only or are being asked again to update data on a variable of interest. We will be fielding questions long COVID, vaccine/social distancing/mask mandates, and parents' vaccination decisions.
