Capabilities Assessment

Instructions: There are no right or wrong answers. The purpose of this worksheet is to identify your MRC unit's capabilities.

We encourage you to share information on your unit's capabilities with your community partners so that your MRC unit may be properly utilized.

Please use the "Comments" section to expand on or clarify your answers for each capability, as necessary.

Capabilities

Incident Response Support
  Public Health and Medical Information Management
  Crisis and Risk Communication
  Emergency Operations Center Support
  Family Assistance Center Support
  General Shelter Staffing (non-medical/non-environmental)
  Multi-Agency Resource Center (MARC) Support
  Volunteer Reception Center Support
  Social Media Monitoring and Messaging

Medical Countermeasure Dispensing
  Mass Vaccination
  Mass Prophylaxis

Behavioral Health
  Disaster Behavioral Health - Responders
  Disaster Behavioral Health – Community Members
  Suicide Prevention/Response

Epidemiology
> Surveillance Support
> Community Assessment
> Outbreak Investigation
> Disease Detection

Environmental Health
> Vector Control
> Environmental Contamination - Chemical
> Environmental Contamination – Biological
> Environmental Contamination – Radiological
> Radiological Community Reception Centers/Population Monitoring
> Environmental Contamination – Hazardous Materials
> Food Safety
> Water Quality

Animal and Veterinary Care
> Companion Animal Care and Sheltering
> Companion Animal Veterinary Care and Treatment
> Large Animal Veterinary Care and Treatment

Medical Care
> Occupational Health
> Hospital Alternate Care Sites
> Medical Surge
> Shelter Support/Medical Care
> Medical/First Aid Staffing (e.g. special events, firefighter rehab)
> Disease Screening
> Infectious Disease Testing or Treatment

Other/Specialties
> Local Community Need Campaign Development (e.g. Opiate Crisis Response)
> Fatality Management and Victim Identification
> Other

1. **Question:**

Please select the most appropriate answer from the drop-down menu to indicate the degree to which your MRC unit possesses a capability or conducts an activity. Please note: If your answer to this question is "No", you do not need to answer question 2 through 8 for the applicable capability or activity.

Is this capability part of your MRC unit's mission?

Answer:
Yes and is a part of our MRC mission statement
Yes but it is not a part of our MRC mission statement
No

2. **Question:**

Please select the most appropriate answer from the drop-down menu to indicate, in general or on average, the highest level of training in a capability achieved by your MRC members or specialized team. If "Classroom Training" is selected, please indicate the training course completed in the "Comments" section.

What is the highest level of training in this capability achieved by your MRC members or specialized team?

Answer:
N/A
No training
Classroom/On-line training
Notification drill/call-down exercise
Online simulation/virtual exercise
Tabletop (internal)
Tabletop (with external partners)
Functional (internal)
Functional (with external partners)
Full-scale

3. **Question:**

Please select the most appropriate answer from the drop-down menu.

Has your MRC unit participated in a NON-EMERGENCY event involving this capability?

Answer:
Yes
No

4. **Question:**

Please select the most appropriate answer from the drop-down menu.

Has your MRC unit participated in an EMERGENCY incident involving this capability?

Answer:
Yes (Standby Only)
Yes (within jurisdiction)
Yes (outside jurisdiction)
Yes (within and outside jurisdiction)
No

5. **Question:**

Please select the most appropriate answer from the drop-down menu to indicate how long it will take your MRC unit to get ready to provide a capability.

In general, how much time is required for your MRC unit to mobilize in order to provide this capability with no alert or prior notice?

Answer:
Unknown
< 3 hours
3 - 6 hours
6 – 12 hours
12 - 18 hours
18 – 24 hours
1 – 2 days
2 – 3 days
4 – 5 days

6. **Question:**

Please select the most appropriate answer from the drop-down menu to indicate the period of time that your MRC unit can be used to provide a capability.

In general, how long is your MRC unit able to provide this capability in your community?

Answer:
< 8 hours
8 – 24 hours
24 – 48 hours
48 – 72 hours
72 hours – 1 week
1 – 2 weeks
More than 2 weeks

Unknown

7. **Question:**

Please select the most appropriate answer from the drop-down menu to indicate the amount of supplies and equipment your MRC unit has to provide a capability.

If activated, does your MRC unit have the supplies and equipment necessary to perform this capability?

Answer:
Yes (have all necessary supplies and equipment)
Yes (have some supplies and equipment)
No (must use supplies and equipment from others)

8. **Question:**

Please select the most appropriate answer from the drop-down menu to indicate if your MRC unit has a standardized response package or related to this capability. A standardized response package is a specific response and recovery resource capability that is organized, developed, trained and exercised prior to an emergency or disaster. MRC Unit Coordinators can develop standardized response packages based on their local community response needs and the volunteer capabilities within their unit. These standardized response packages can be used as a vehicle to train and develop teams for specific response roles and missions.

Can your MRC unit provide this capability in the form of a standardized response package?

Answer:

Yes
No
No (but intend to develop)
