E. Export of Caviar or Meat of Paddlefish or Sturgeon Removed from the Wild (CITES)

NOTE: To ensure the most relevant application is being submitted, please review the following before completing this form. To request export of live specimens removed from the wild submit form [3-200-27](#); export of aquacultured caviar or meat submit form [3-200-80](#); export of aquacultured specimens submit form [3-200-24](#); re-export of specimens submit form [3-200-73](#); or export or re-export of species listed under the U.S. Endangered Species Act submit form [3-200-37](#).

Electronic submission of inventories, photographs, and receipts/invoices: If you wish to provide information electronically, please include a flash drive containing your information with your physical application.

1. Name and address where you wish the permit to be mailed, **if different from page 1**. If you would like expedited shipping, please enclose a self-addressed, pre-paid, computer-generated, courier service airway bill. If unspecified, all documents will be mailed via regular mail through the U.S. Postal Service.
2. Who should we contact if we have questions about the application (name, phone number, and e-mail)?
3. Have you or any of the owners of the business (if applying as a business, corporation, or institution), been assessed a civil penalty or convicted of any criminal provision of any statute or regulation relating to the activity for which the application is filed; been convicted, or entered a plea of guilty or nolo contendere, for a felony violation of the Lacey Act, the Migratory Bird Treaty Act, or the Bald and Golden Eagle Protection Act; forfeited collateral; OR are currently under charges for any violation of the laws mentioned above?

No Yes

If you answered "Yes" to Question 3, provide: a) the individual's name; b) date of charge; c) charge(s); d) location of incident; e) court, and f) action taken for each violation. Please be aware that a "Yes" response does not automatically disqualify you from getting a permit.

Complete all questions on the application. Mark questions that are not applicable with "N/A". If needed, use separate sheets of paper. On all attachments or separate sheets you submit, indicate the application question number you are addressing.

4. This application can be used to apply for:

A single shipment for export. If approved, a single permit for a specific amount of caviar will be issued.

Multiple shipments of identical amounts. For multiple shipments of identical amounts, the Service can establish a master file. If the master file is approved, you can obtain a number of single-use permits, valid for 6 months each under [50 CFR 13.11](#).

To obtain single use permits from the master file, complete below:

- i. Total weight of caviar you are requesting to be authorized: _____.
- ii. How many permits do you anticipate using in the next 6 months? _____. (Provide \$5 for each 6-month permit). Additional permits may be requested by submitting form [3-200-74](#).

- f. Shipment will be fresh, frozen, pasteurized, or other (describe):

- g. If caviar, provide list of labels (see enclosed [caviar](#) labeling requirements).

- h. Current location of specimen(s):

- 7. Does this application request authorization to export a portion of a product(s) that was authorized under a previous permit?
 - No. If no, continue to question 8.
 - Yes. If yes, complete a. below and continue to questions 8-13.
 - a. Provide a copy of the original CITES export permit and cleared 3-177 declaration form obtained when you exported a portion of the previously authorized product, and complete and sign (in ink) the following statement: I hereby certify that the product pertaining to this current application is a portion of product previously authorized for export under permit number _____.
(fill in permit number)

Signature _____ **Date** _____

Questions 8 through 13 must be answered for the entire quantity of product(s) listed in your application. By signing this application, you are certifying that all the information provided in support of this application is complete and accurate, including any and all information provided about suppliers, dealers, and fishers.

- 8. List ALL intermediary suppliers' and/or dealers' names, addresses, State permit numbers, type of product (i.e., meat or caviar), and weight of product obtained from each supplier (attach additional sheets of paper as necessary):
 - Name:
 - Address:
 - City:
 - State/Province:
 - County, Postal Code:
 - State permit number:
 - Total weight of product supplied:

- 9. List ALL fishers' full names and addresses, type of product, and weight of product obtained from each (attach additional sheets of paper as necessary):
 - Name:
 - Address:
 - City:
 - State/Province:
 - County, Postal Code:
 - Total weight of product supplied:

NOTE for questions 10-13: If you obtained product(s) from a supplier or dealer, you must supply all of the following information from the supplier. All supporting documentation must be submitted in an organized format to reduce processing time. We request that documentation is organized first by State of harvest (*i.e.*, all documentation for fish harvested from a particular state are grouped together). Within each State packet, the documentation should be grouped by fisher (*i.e.*, all invoices for a particular fisher are grouped together).

10. Provide a copy of the appropriate commercial buyer's license(s).
11. For each fisher listed in number 9, provide a copy of the current license(s), permit(s), or other documents issued by the State or local wildlife authorities approving the commercial fishing activities.
12. Provide copies of each fisher's State harvest report for the product(s) to be exported. The harvest report should include, at a minimum, the following information. If any of this information is not listed on the fisher's harvest report, the information must be provided separately for each fisher on an attached sheet of paper and signed by the fisher.
 - a. Dates the fish were harvested;
 - b. Harvest location(s), including the State, county(ies), body of water, AND the nearest mile marker or boat ramp to each harvest location; and
 - c. Gear used to harvest the fish.
13. Provide copies of documentation showing the transfer of ownership (*e.g.*, dated sales receipts/invoices) of the product from each fisher or supplier to you. If you received the product from a supplier(s) or source other than the harvesters, provide documentation demonstrating the history of transactions (chain of ownership of the product) from the fisher(s) to you. You must be able to provide documentation for EACH change in ownership from the time of harvest until the time you purchased the product.

All international shipment(s) must be through a designated port. A [list of designated ports](#) (where an inspector is posted) is available. If you wish to use a port not listed, please contact the Office of Law Enforcement for a Designated Port Exemption Permit (form 3-200-2).

NOTICES

PRIVACY ACT STATEMENT

Authority: The information requested is authorized by the following: the Bald and Golden Eagle Protection Act (16 U.S.C. 668), 50 CFR 22; the Endangered Species Act (16 U.S.C. 1531-1544), 50 CFR 17; the Migratory Bird Treaty Act (16 U.S.C. 703-712), 50 CFR 21; the Marine Mammal Protection Act (16 U.S.C. 1361, et seq.), 50 CFR 18; the Wild Bird Conservation Act (16 U.S.C. 4901-4916), 50 CFR 15; the Lacey Act: Injurious Wildlife (18 U.S.C. 42), 50 CFR 16; Convention on International Trade in Endangered Species of Wild Fauna and Flora (TIAS 8249), 50 CFR 23; General Provisions, 50 CFR 10; General Permit Procedures, 50 CFR 13; and Wildlife Provisions (Import/export/transport), 50 CFR 14.

Purpose: The collection of contact information is to verify the individual has an eligible permit to conduct activities which affect protected species. This helps FWS monitor and report on protected species and assess the impact of permitted activities on the conservation and management of species and their habitats.

Routine Uses: The collected information may be used to verify an applicant's eligibility for a permit to conduct activities with protected wildlife; to provide the public and the permittees with permit related information; to monitor activities under a permit; to analyze data and produce reports to monitor the use of protected wildlife; to assess the impact of permitted activities on the conservation and management of protected species and their habitats; and to evaluate the effectiveness of the permit programs. More information about routine uses can be found in the System of Records Notice, Permits System, FWS-21.

Disclosure: The information requested in this form is voluntary. However, submission of requested information is required to process applications for permits authorized under the listed authorities. Failure to provide the requested information may be sufficient cause for the U.S. Fish & Wildlife Service to deny the request.

PAPERWORK REDUCTION ACT STATEMENT

We are collecting this information subject to the Paperwork Reduction Act (44 U.S.C. 3501) in order provide the U.S. Fish and Wildlife Service the information necessary, under the applicable laws governing the requested activity, for which a permit is requested. Information requested in this form is purely voluntary. However, submission of requested information is required in order to process applications for permits authorized under the applicable laws. Failure to provide all requested information may be sufficient cause for the U.S. Fish and Wildlife Service to deny the request. According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. OMB has approved this collection of information and assigned Control No. 1018-0093.

ESTIMATED BURDEN STATEMENT

We estimate public reporting for this collection of information averages:

Original submission - paper-based: 3 hours
Amended submission - paper-based: 2 hours 30 minutes
Original submission - electronic: 2 hours 30 minutes
Amended submission - electronic: 2 hours 15 minutes

These estimates include time for reviewing instructions, gathering and maintaining data and completing and reviewing the form. Direct comments regarding the burden estimate or any other aspect of the form to the Service Information Clearance Officer, Fish and Wildlife Service, U.S. Department of the Interior, 5275 Leesburg Pike, MS: PRB/PERMA (JAO), Falls Church, VA 22041-3803, or via email at Info_Coll@fws.gov.
