# E. EXPORT AND RE-IMPORT OF MUSEUM SPECIMENS (U.S. ENDANGERED SPECIES ACT)

**Note 1**: An ESA museum permit only authorizes export and re-import of specimens currently accessioned in your museum. If specimens of species are protected by CITES, Marine Mammal Protection Act, Migratory Bird Treaty Act, or Bald and Golden Eagle Protection Act, you are required to obtain additional authorizations prior to any export or re-import of specimens. Contact DMA for the required application.

**Note 2**: For the export or re-import of specimens of ESA-listed species that are not part of your museum collection or have not yet been collected, please submit Form 3-200-37.

For renewals, include the original permit and the annual report (see <u>Form 3-200-40a</u>). The report is a summary of all exports and re-imports conducted under your permit for the past year, including species' scientific name and common name of specimen sent or received, date of activity, acquisition number, description, receiving/sending institution, and country.

1.	Name and address where you wish the permit to be mailed, if different from page 1. If you would like expedited shipping, please enclose a self-addressed, pre-paid, computer-generated, courier service airway bill. If unspecified, all documents will be mailed via regular mail through the U.S. Postal Service.
2.	Who should we contact if we have questions about the application (name, phone number, and e-mail)?
3.	Have you or any at your institution, been assessed a civil penalty or convicted of any criminal provision of any statute or regulation relating to the activity for which the application is filed; been convicted, or entered a plea of guilty or nolo contendere, for a felony violation of the Lacey Act, the Migratory Bird Treaty Act, or the Bald and Golden Eagle Protection Act; forfeited collateral; OR are currently under charges for any violation of the laws mentioned above?
	No Yes
of i	ou answered "Yes" to Question 3, provide: a) the individual's name; b) date of charge; c) charge(s); d) location ncident; e) court, and f) action taken for each violation. Please be aware that a "Yes" response does not comatically disqualify you from getting a permit.
1	This is for a
4.	New application
	Renewal/Amendment of Permit #
_	
5.	If relevant information about the requesting institution or collection is available online, please provide the URL:
6.	Is the institution or collection accredited by an organization such as the Index Herbarium or American Alliance of Museums:
	Yes. Indicate the name of the accrediting organization(s) and <b>provide supporting documentation</b> , such as a website, copy of accreditation, or other such evidence.

	No. Provide copies or other evid integrity, record-keeping, accessibility	ence of information related to the ins $\prime$ to, and management of the collection				
	re the collections and associated data permanently housed and professionally curated? If yes, how long ave the collections been permanently housed and professionally curated. Provide the physical address for ne collection and the name and contact information for the curator.					
	YES NO					
8.	Are all accessions properly recorded	in a permanent catalogue?				
	YES (If catalogue or collection is	available online, provide the URL _	··································			
	NO					
9.	As appropriate, ENTER approximate	number of accessioned specimens:				
	Mammals	Birds				
	Insects/Arachnids	Other Invertebrates				
	Reptiles/Amphibians	Vascular Plants				
	Fish	Non-vascular Plants				
	Other (provide description:	)				
10.	Do you maintain any specimens of sp	ecies protected under the Marine Ma	ammal Protection Act?			
	YES NO					
	a. If "yes," do you intend to expo	ort or re-import these specimens?				
	b. If "yes", provide a copy of you	ur MMPA authorization for this activit	y.			
11.	Do you maintain or intend to obtain a	ny specimens of species protected u	nder CITES?			
	YES NO					
	a. If "yes", do you intend to expo	ort or re-import these specimens?				
	b. If "yes", provide a copy of you	ır CITES authorization for this activit	y.			
12.	Do you maintain or intend to obtain a	ny specimens of species protected u	nder the Migratory Bird Treaty Act?			
	YES NO

	a. If "yes", do you intend to expo	ort or re-import these specimens?				
	b. If "yes", provide a copy of you	ur BGEPA authorization for this activ	ity.			
14.	Are specimens accessible to qualified	users from outside your institution?				
	YESNO					
	ENTER approximate number	In the United States	Outside the United States			
	Loans last year					
	Exchanges last year					
	Donations last year					

15.	Are permanent records maintained on specimens that are loaned or transferred?
	YES NO
16.	Are specimens acquired primarily for the purpose of research, the results of which are to be reported in scientific publications?
	YES NO
17.	Are specimens prepared and the collections arranged in a manner that ensures their accessibility?
	YES NO
18.	Are data on specimen labels, permanent catalogues, and other records as accurate as possible?
	YES NO
19.	To the best of your knowledge, were the specimens in the collection acquired legally under the relevant laws of the country where they were obtained and the United States (e.g., import permits, collection permits, take permits, landowner permission)?
	YES NO
20.	Are all specimens of endangered and threatened species permanently and centrally housed under direct control of the scientific institution?
	YES NO
21.	Are all specimens of endangered and threatened species intended for exchange managed in such a manner to preclude their use solely as decorations or trophies, or for other purposes incompatible with the principles of the ESA?
	YESNO
22.	Please ATTACH (or enter below) a statement of how the activities carried out by your institution will enhance or benefit the endangered or threatened species intended for exchange (e.g., identify recovery tasks from the

recovery plan, or describe how the research activities will benefit the species under the Act).

All international shipment(s) must be through a designated port. A <u>list of designated ports</u> (where an inspector is posted) is available. If you wish to use a port not listed, please contact the Office of Law Enforcement for a Designated Port Exemption Permit (<u>Form 3-200-2</u>).

#### **NOTICES**

### **PRIVACY ACT STATEMENT**

**Authority:** The information requested is authorized by the following: the Bald and Golden Eagle Protection Act (16 U.S.C. 668), 50 CFR 22; the Endangered Species Act (16 U.S.C. 1531-1544), 50 CFR 17; the Migratory Bird Treaty Act (16 U.S.C. 703-712), 50 CFR 21; the Marine Mammal Protection Act (16 U.S.C. 1361, et seq.), 50 CFR 18; the Wild Bird Conservation Act (16 U.S.C. 4901-4916), 50 CFR 15; the Lacey Act: Injurious Wildlife (18 U.S.C. 42), 50 CFR 16; Convention on International Trade in Endangered Species of Wild Fauna and Flora (TIAS 8249), 50 CFR 23; General Provisions, 50 CFR 10; General Permit Procedures, 50 CFR 13; and Wildlife Provisions (Import/export/transport), 50 CFR 14.

**Purpose:** The collection of contact information is to verify the individual has an eligible permit to conduct activities which affect protected species. This helps FWS monitor and report on protected species and assess the impact of permitted activities on the conservation and management of species and their habitats.

**Routine Uses:** The collected information may be used to verify an applicant's eligibility for a permit to conduct activities with protected wildlife; to provide the public and the permittees with permit related information; to monitor activities under a permit; to analyze data and produce reports to monitor the use of protected wildlife; to assess the impact of permitted activities on the conservation and management of protected species and their habitats; and to evaluate the effectiveness of the permit programs. More information about routine uses can be found in the System of Records Notice, Permits System, FWS-21.

**Disclosure:** The information requested in this form is voluntary. However, submission of requested information is required to process applications for permits authorized under the listed authorities. Failure to provide the requested information may be sufficient cause for the U.S. Fish & Wildlife Service to deny the request.

## PAPERWORK REDUCTION ACT STATEMENT

We are collecting this information subject to the Paperwork Reduction Act (44 U.S.C. 3501) in order provide the U.S. Fish and Wildlife Service the information necessary, under the applicable laws governing the requested activity, for which a permit is requested. Information requested in this form is purely voluntary. However, submission of requested information is required in order to process applications for permits authorized under the applicable laws. Failure to provide all requested information may be sufficient cause for the U.S. Fish and Wildlife Service to deny the request. According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. OMB has approved this collection of information and assigned Control No. 1018-0093.

### **ESTIMATED BURDEN STATEMENT**

We estimate public reporting for this collection of information averages:

Original submission - paper-based: 2 hour Amended submission - paper-based: 45 minutes Original submission - electronic: 45 minutes Amended submission - electronic: 30 minutes

These estimates include time for reviewing instructions, gathering and maintaining data and completing and reviewing the form. Direct comments regarding the burden estimate or any other aspect of the form to the Service Information Clearance Officer, Fish and Wildlife Service, U.S. Department of the Interior, 5275 Leesburg Pike, MS: PRB/PERMA (JAO), Falls Church, VA 22041-3803, or via email at Info\_Coll@fws.gov. Please do not send your completed form to this address.
