E. IMPORT OF BIRDS FOR SCIENTIFIC RESEARCH OR ZOOLOGICAL BREEDING AND DISPLAY (WBCA)

Complete all questions on the application. Mark questions that are not applicable with "N/A". Given the length of many of the responses, please use a separate sheet of paper. On all attachments or separate sheets you are submitting; please indicate the number of the application question you are addressing. In addition, if applying to import multiple birds, be sure to indicate which bird is being addressed in each response.

Electronic submission of inventories, photographs, and receipts/invoices: If you wish to provide information electronically, please include a flash drive containing this information with your physical application.

1. Name and address where you wish the permit to be mailed, **if different from page 1**. If you would like expedited shipping, please enclose a self-addressed, pre-paid, computer-generated, courier service airway bill. If unspecified, all documents will be mailed via regular mail through the U.S. Postal Service.
2. Who should we contact if we have questions about the application (name, phone number, and e-mail)?
3. Have you or any of the owners of the business (if applying as a business, corporation, or institution), been assessed a civil penalty or convicted of any criminal provision of any statute or regulation relating to the activity for which the application is filed; been convicted, or entered a plea of guilty or nolo contendere, for a felony violation of the Lacey Act, the Migratory Bird Treaty Act, or the Bald and Golden Eagle Protection Act; forfeited collateral; OR are currently under charges for any violation of the laws mentioned above?
 No Yes

If you answered "Yes" to Question 3, provide: a) the individual's name; b) date of charge; c) charge(s); d) location of incident; e) court, and f) action taken for each violation. Please be aware that a "Yes" response does not automatically disqualify you from getting a permit.

4. For each SPECIES/SPECIMEN, provide:

a. Scientific name (genus, species, and, if applicable, subspecies)	b. Common Name	c. Actual or Approximate Hatch date	d. Quantity	e. Sex (m/f)	f. Removed from the wild or captive-bred?

5. If the bird(s) is/are **still in the wild or was/were taken from the wild**, include:
- a. The country and specific location where the removal will occur or occurred;
 - b. Date specimen(s) was/were removed from the wild or will be removed;
 - c. A description of the status of the wild population of the species in the region of removal; and
 - d. A copy of all foreign collecting permits or authorizing letters from the proper government authority allowing the collection of the bird(s).
 - e. Provide a description of where the bird(s) is/are currently being held and of the husbandry and care currently being provided.
6. If the bird(s) was/were **captive-bred**, include:
- a. Specimen report; or
 - b. A signed statement from the breeder containing the scientific and common name certifying that the bird(s) was/were hatched and bred by the breeder, including the name and address of the breeder, hatch date, and the identity and location of the parental birds; **AND**
 - c. Documentation showing how the bird(s) was/were acquired including the history of transactions (e.g., chain of ownership), if applicable; and
 - d. Provide documentation on the parental stock of the requested bird(s) including from where the parental stock was originally sourced and any other information detailing their acquisition. In some instances, we may request documentation going back more than two generations.
7. Complete name and address of overseas person or business shipping the bird(s) to you:
- Name:
- Address:
- City/Province:
- State, County, Postal Code:
8. List all facilities that will be receiving birds from this shipment, either immediately after importation or within the next year. If you are unsure, of which facilities may be receiving birds (e.g., final decisions on placement have not been made), please indicate likely candidates and the mechanism that will be used to determine recipient facilities.

9. For each facility listed in question 8, provide:
- Detailed description and photographs (no blue prints, please) of current facilities, including the total number of enclosures to house incoming birds, the dimensions of each enclosure for the birds intended for import, and the number of birds to be housed in each;
 - A description of husbandry practices; and
 - Qualifications of the personnel, within each facility receiving birds, who will be overseeing/caring for the bird(s) (e.g., resume/brief curricula vitae).
10. If the purpose is for **scientific research**, include:
- Research proposal including formal research protocol with timetable;
 - If research includes the production of progeny, include a full justification for the breeding;
 - The relationship of such research to the conservation of the species in the wild;
 - A discussion of possible alternatives and efforts to obtain birds from other sources within the United States;
 - The disposition of the imported birds and any progeny upon completion of the research project; and
 - Qualifications of the personnel (within each facility receiving birds) conducting the research, collecting samples, and caring for the bird(s) (brief curricula vitae are acceptable).
11. If the purpose is for **zoological breeding and display**, provide the following for **each** facility receiving birds:
- A history of the zoological facility's breeding programs with the same or similar species, including:
 - Participation in any cooperative breeding programs and/or efforts to collaborate with other managed zoological breeding programs;
 - Breeding and inventory records for the last two years, including hatching, survival, and mortality records;
 - Plans for developing or maintaining a self-sustaining population of the exotic bird species in captivity;
 - Causes of any previous mortalities and corrections to prevent future mortalities.
 - The relationship of the zoological breeding and display program to the conservation of the species in the wild;
 - The education program, both display graphics and other educational activities, provided to the public on the ecology and/or conservation status of the species;
 - The number of visitors the facility receives annually;
 - A discussion of possible alternatives and efforts to obtain birds from other sources within the U.S.; and
 - Plans for disposition of the birds and any progeny.
12. The transport conditions must comply with the CITES Guidelines for Transport of Live Animals or, in the case of air transport, with the International Air Transport Association (IATA) live animal regulations (contact airline for information). As such, describe:
- The type, size, and construction of any shipping container; and
 - The arrangements for watering or otherwise caring for the wildlife during transport.

All international shipments must be through a designated port. A list of designated ports (where an inspector is posted) is available from [the list of designated ports](#). If you wish to use a port not listed, please contact the Office of Law Enforcement for a Designated Port Exemption Permit (form 3-200-2).

PRIVACY ACT STATEMENT

Authority: The information requested is authorized by the following: the Bald and Golden Eagle Protection Act (16 U.S.C. 668), 50 CFR 22; the Endangered Species Act (16 U.S.C. 1531-1544), 50 CFR 17; the Migratory Bird Treaty Act (16 U.S.C. 703-712), 50 CFR 21; the Marine Mammal Protection Act (16 U.S.C. 1361, et seq.), 50 CFR 18; the Wild Bird Conservation Act (16 U.S.C. 4901-4916), 50 CFR 15; the Lacey Act: Injurious Wildlife (18 U.S.C. 42), 50 CFR 16; Convention on International Trade in Endangered Species of Wild Fauna and Flora (TIAS 8249), 50 CFR 23; General Provisions, 50 CFR 10; General Permit Procedures, 50 CFR 13; and Wildlife Provisions (Import/export/transport), 50 CFR 14.

Purpose: The collection of contact information is to verify the individual has an eligible permit to conduct activities which affect protected species. This helps FWS monitor and report on protected species and assess the impact of permitted activities on the conservation and management of species and their habitats.

Routine Uses: The collected information may be used to verify an applicant's eligibility for a permit to conduct activities with protected wildlife; to provide the public and the permittees with permit related information; to monitor activities under a permit; to analyze data and produce reports to monitor the use of protected wildlife; to assess the impact of permitted activities on the conservation and management of protected species and their habitats; and to evaluate the effectiveness of the permit programs. More information about routine uses can be found in the System of Records Notice, Permits System, FWS-21.

Disclosure: The information requested in this form is voluntary. However, submission of requested information is required to process applications for permits authorized under the listed authorities. Failure to provide the requested information may be sufficient cause for the U.S. Fish & Wildlife Service to deny the request.

PAPERWORK REDUCTION ACT STATEMENT

We are collecting this information subject to the Paperwork Reduction Act (44 U.S.C. 3501) in order provide the U.S. Fish and Wildlife Service the information necessary, under the applicable laws governing the requested activity, for which a permit is requested. Information requested in this form is purely voluntary. However, submission of requested information is required in order to process applications for permits authorized under the applicable laws. Failure to provide all requested information may be sufficient cause for the U.S. Fish and Wildlife Service to deny the request. According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. OMB has approved this collection of information and assigned Control No. 1018-0093.

ESTIMATED BURDEN STATEMENT

We estimate public reporting for this collection of information averages:

Original submission - paper-based: 2 hours
Amended submission - paper-based: 1 hour 45 minutes
Original submission - electronic: 1 hour 45 minutes
Amended submission - electronic: 1 hour 30 minutes

These estimates include time for reviewing instructions, gathering and maintaining data and completing and reviewing the form. Direct comments regarding the burden estimate or any other aspect of the form to the Service Information Clearance Officer, Fish and Wildlife Service, U.S. Department of the Interior, 5275 Leesburg Pike, MS: PRB/PERMA (JAO), Falls Church, VA 22041-3803, or via email at Info_Coll@fws.gov.
