E. Re-Export of Wildlife (CITES)

NOTE 1: If you are re-exporting CITES Appendix II or III specimens that have not been altered or changed since they were originally exported into the United States (e.g., python skin boots were imported and are now being re-exported), the application can be submitted either to the Division of Management Authority or the Office of Law Enforcement (OLE). Applications that are submitted to OLE must be submitted to an OLE office in the region where the applicant is located or where their Import/Export license was issued. (see pages 6 and 7 for addresses).

Items that are: **Pre-Convention** (removed from the wild before CITES applied to the species);
Have been altered after imported (e.g., tanned python skins converted into boots);
Covered under the Endangered Species Act (ESA);
Covered under the Wild Bird Conservation Act (WBCA);
Covered under the Marine Mammal Protection Act (MMPA); or
Covered under the Migratory Bird Treaty Act (MBTA)

MUST be submitted to the Division of Management Authority (DMA).

NOTE 2: If you are a Customs broker or a freight forwarder applying on behalf of your client, you must attach documentation that shows you have Power of Attorney to act on your client's behalf.

Complete all questions on the application. Mark questions that are not applicable with "N/A". If needed, use separate sheets of paper. On all attachments or separate sheets you submit, indicate the application question number you are addressing. If applying for more than one specimen, be sure to indicate which specimen is being addressed in each response.

Electronic submission of inventories, photographs, and receipts/invoices: If you wish to provide information electronically, please include a flash drive containing your information with your physical application.

1. Name and address where you wish the permit to be mailed, **if different from page 1**. If you would like expedited shipping, please enclose a self-addressed, pre-paid, computer-generated, courier service airway bill. If unspecified, all documents will be mailed via regular mail through the U.S. Postal Service.
2. Who should we contact if we have questions about the application (name, phone number, and e-mail)?
3. Have you or any of the owners of the business (if applying as a business, corporation, or institution), been assessed a civil penalty or convicted of any criminal provision of any statute or regulation relating to the activity for which the application is filed; been convicted, or entered a plea of guilty or nolo contendere, for a felony violation of the Lacey Act, the Migratory Bird Treaty Act, or the Bald and Golden Eagle Protection Act; forfeited collateral; OR are currently under charges for any violation of the laws mentioned above?

No Yes

If you answered "Yes" to Question 3, provide: a) the individual's name; b) date of charge; c) charge(s); d) location of incident; e) court, and f) action taken for each violation. Please be aware that a "Yes" response does not automatically disqualify you from getting a permit.

4. Indicate the purpose of the re-export (check all that applies):

Commercial Botanical garden Personal Zoo

Traveling Exhibition Scientific Medical (including biomedical research)
 Educational Reintroduction/introduction
 Breeding in captivity or Artificial Propagation

5. Provide the following information (you may use the attached corresponding inventory sheet) [Please do NOT include quarantine, immunization or health records unless they document transfer of ownership].
- Scientific Name (genus, species, subspecies);

 - Country of last re-export CITES permit issuance date (if applicable):

6. What is the current location of specimen(s) _____

7. Provide:

- a copy of the validated foreign CITES export or re-export document (cancelled by OLE) issued by the appropriate CITES office in the country from which the wildlife was imported, and
- Wildlife Declaration (Form 3-177), stamped cleared by OLE, (provide either a hard copy or electronic release; not applicable for plants); OR
- If you did not make the original import, provide a copy of the importer's documents outlined above and the invoice or other document that shows you acquired the wildlife from the original importer or history of transactions that demonstrate chain of ownership. **NOTE: Redacted documents can only be accepted if the information redacted is not needed to determine a legal chain of custody (e.g., declared value of wildlife, original exporter name provided a copy of the cleared form 3-177 is provided and traceable). All other redactions will not be accepted.** For further instructions contact the permit issuing office directly.
- If protected by the Wild Bird Conservation Act (WBCA), provide a copy of the WBCA import permit.

*Permits cannot be issued without the documents being stamped cancelled and cleared by OLE.

PRIVACY ACT STATEMENT

Authority: The information requested is authorized by the following: the Bald and Golden Eagle Protection Act (16 U.S.C. 668), 50 CFR 22; the Endangered Species Act (16 U.S.C. 1531-1544), 50 CFR 17; the Migratory Bird Treaty Act (16 U.S.C. 703-712), 50 CFR 21; the Marine Mammal Protection Act (16 U.S.C. 1361, et seq.), 50 CFR 18; the Wild Bird Conservation Act (16 U.S.C. 4901-4916), 50 CFR 15; the Lacey Act: Injurious Wildlife (18 U.S.C. 42), 50 CFR 16; Convention on International Trade in Endangered Species of Wild Fauna and Flora (TIAS 8249), 50 CFR 23; General Provisions, 50 CFR 10; General Permit Procedures, 50 CFR 13; and Wildlife Provisions (Import/export/transport), 50 CFR 14.

Purpose: The collection of contact information is to verify the individual has an eligible permit to conduct activities which affect protected species. This helps FWS monitor and report on protected species and assess the impact of permitted activities on the conservation and management of species and their habitats.

Routine Uses: The collected information may be used to verify an applicant's eligibility for a permit to conduct activities with protected wildlife; to provide the public and the permittees with permit related information; to monitor activities under a permit; to analyze data and produce reports to monitor the use of protected wildlife; to assess the impact of permitted activities on the conservation and management of protected species and their habitats; and to evaluate the effectiveness of the permit programs. More information about routine uses can be found in the System of Records Notice, Permits System, FWS-21.

Disclosure: The information requested in this form is voluntary. However, submission of requested information is required to process applications for permits authorized under the listed authorities. Failure to provide the requested information may be sufficient cause for the U.S. Fish & Wildlife Service to deny the request.

PAPERWORK REDUCTION ACT STATEMENT

We are collecting this information subject to the Paperwork Reduction Act (44 U.S.C. 3501) in order provide the U.S. Fish and Wildlife Service the information necessary, under the applicable laws governing the requested activity, for which a permit is requested. Information requested in this form is purely voluntary. However, submission of requested information is required in order to process applications for permits authorized under the applicable laws. Failure to provide all requested information may be sufficient cause for the U.S. Fish and Wildlife Service to deny the request. According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. OMB has approved this collection of information and assigned Control No. 1018-0093.

ESTIMATED BURDEN STATEMENT

We estimate public reporting for this collection of information to average 30 minutes, including time for reviewing instructions, gathering and maintaining data and completing and reviewing the form. Direct comments regarding the burden estimate or any other aspect of the form to the Service Information Clearance Officer, Fish and Wildlife Service, U.S. Department of the Interior, 5275 Leesburg Pike, MS: PRB (JAO/3W), Falls Church, VA 22041-3803, or via email at Info_Coll@fws.gov. Please do not send your completed form to this address.
